The DALY CITY RECORD and Daly City SHOPPING NEWS Reach 45,000 People Every Week in Daly City, Colma, Broadmoor, Garden Village, Buri-Buri, Southwood and San Francisco.

PUBLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIF., THURSDAY, OCTOBER 27, 1949 | VOLUME 46, NUMBER 39

CITY AMBULANCE GOES INTO SERVICE

This is the "new" $3,000 Buick ambulance purchased by the city this week to augment county ambulance service. It will serve the Daly City area and, in case of emergency, will help out when the county vehicle at San Bruno is unable to give aid. Actually the car has been used before, but as mileage was low, the city believes it got a real bargain. Examining the ambulance, left to right, are Mayor Paul Green, Dr. L. A. Drees of the Junipero Serra hospital, and Officer Dean Wood.

COUNCIL ASKS FOR BIDS ON $396,000 WAR MEMORIAL BONDS

Police Warn -- "No Vandalism On Hallowe'en"

Like everyone else, the Daly City police force wants children in this community to have fun Hallowe'en, but just in case:

All police officers will be on duty October 31, and any child picked up for vandalism, destruction of property or pulling fire boxes for false alarm will be turned over to the county juvenile department.

In addition, parents of such children may be held responsible for all costs of destroyed property, and in addition may have to pay the fire department for answering false alarms.

This was the stern but necessary warning today by Police Chief W. W. Sunderland.

In conclusion he asserted that "parents should realize small children are potential traffic victims at night, and they should make every effort to keep their children off the street on Hallowe'en."

It is for this aforesaid purpose that the Daly City Recreation Department has organized a series of events for Hallowe'en.

City Improvement Measures Passed At Monday Meeting

At a short, snappy meeting of the city council Monday night, action was confined to passing several resolutions and asking for bids on the $396,000 improvement bonds.

These bonds will be used to improve city parks and build a War Memorial Community center. It is expected they will be sold before the first of the year, and work can begin on the aforesaid project at about that time.

Bids on the bonds must be submitted to the city before December 12, 1949.

Other business before the council Monday was:

Opening of bids for storm sewers in Marchbanks park. Three bids were submitted by: Arthur Walgreen, $9,694; M. J. Lynch, $7,180, and B. M. Thomas, $4,463. The council rejected the bids of Walgreen and Lynch and took under consideration the Thomas bid.

A resolution was passed authorizing the purchase of a city ambulance at a cost of not more than $3,200. This ambulance will be put into service soon to augment county service.

Councilman A. J. Gaggero, who presided in the absence of Mayor Paul Green, asked how the city could purchase the ambulance without calling for bids. City Attorney Frank Blum replied this could be done as the ambulance was an immediate public necessity.

San Francisco Man Assertedly Drunk While Riding 'Cycle

Neatest trick of the week was accomplished by a San Francisco man when he allegedly rode a motorcycle through Daly City while assertedly drunk.

John T. O'Hara, 347 Howth street, was spotted by officers coming off San Jose onto Mission at 10 p.m. Sunday. He was riding a motorcycle, and allegedly doing so in a "very erratic manner, police said.

Puzzled officers followed the motorcycle up to Hillcrest drive and Mission circle, where the bike finally "rebelled" and threw O'Hara.

The San Francisco man was charged with drunk driving and released on $125 bail. Date of trial has not yet been set.

Young Boys Caught Throwing Rocks At Parked Car Windows

Firing rocks at car windows in Stevens Used Car Lot, 6601 Mission, two juveniles were apprehended Tuesday by police.

Officers arrived on the scene just after the windows in a truck had been broken by one of the boys, 11 and 12 years respectively.

The matter was referred to the county juvenile department.

BURNING CAR SOUNDS OWN FIRE ALARM

Wakened by the blast of his car horn, Stanley Trayner, 144 Santa Cruz avenue, rushed from his house last night to find his 1949 automobile in flames.

Firemen arrived at the blaze at 12:50 a. m., but were unable to save the car. The vehicle was parked inside a garage behind the Trayner residence. The garage was not damaged.

Fire Chief J. E. Kennedy reported today that the automobile was almost a complete loss. The fire gutted the inside of the car.

Oddly enough, the cause of the blaze, a short in the wiring, also set off the "fire alarm," Chief Kennedy believes. Somehow the horn wires got crossed and Chief Kennedy estimates the horn was blasting for a full 15 minutes before Trayner was awakened.

The Daly City man had just purchased the automobile, and had not used it for more than two months before the fire. Chief Kennedy did not know whether or not it was covered by fire insurance.

Fire Hydrant Hit By SF Automobile

A fire hydrant was the latest "victim" of a runaway car in Daly City.

At 5:15 p.m. last Friday, an auto owned by Thomas Needham, 716 Franklin street, San Francisco, was parked at 121 Westlake. At 4:16 p.m. the same car was "straddling" a fire hydrant at San Diego and Westlake.

Water sprayed the car and surrounding country for some 10 minutes, until the water department did its duty and turned the plug off.

Today, the hydrant is repaired and Needham faces a charge of failure to make the proper hill hold.

Car Damaged In Another Accident At JS and No. 1

Chalk up another accident at the intersection of Highway No. 1 and Junipero Serra boulevard.

This one occurred at 6:50 p.m. last Thursday, when a car driven by Joseph J. Schweigart, 27, 323 Nelson avenue, Pacific Manor, sustained front end damage. Schweigart's vehicle was allegedly struck by a car driven by either Ann or Roy MacDonald of 201 Del Monte avenue, South San Francisco.

According to Schweigart, he came to a stop at the intersection as he waited to turn off No. 1 onto Junipero Serra boulevard. A moment later he saw a car coming down the highway without any lights, and the next thing it hit the front end of his vehicle, police said.

The car driven by the MacDonalds stopped, and after Schweigart had talked to the driver and turned to wave down another car, the MacDonald vehicle drove off.

Police cited the MacDonalds for failure to render aid following an accident.

Note: This wreck, too, might have been avoided if there had been a signal light at the intersection.

TRAFFIC SIGNAL ACTION NIL!

While the cars continue to "pile up" at the intersection of Junipero Serra and Highway No. 1, the state fails to do anything about putting up traffic signals.

Mayor Green announced today that as yet he has received no reply from the latest letter he wrote to the state division of highways asking for signals.

Last week the Mayor sent a letter to J. H. Skeggs, assistant state highway engineer, requesting at least temporary signals at dangerous intersections in the Daly City area.

Mayor Green requested signals at Mission, San Jose, Hillside boulevard and Hillcrest drive; Mission and Market; Mission between Hillcrest drive and Market; and (although through an error it was reported no action had been taken at this intersection) at Junipero Serra and Highway No. 1.

Under state law, the city allocates part of its gas revenue fund for traffic lights. It is then up to the state to put them up on those streets designated as state thoroughfares as are both Mission and Junipero Serra.

Community Chest Drive $700 Short; More Time Needed

Still $700 short of the $2,500 goal today is Daly City's Community Chest drive.

Mrs. Jane Keith, residential drive chairman, reports that approximately $1,800 has been collected to date.

Of this sum, $1,080 has been given by individual residents. Only $720 has been donated by the business men of the community.

With hopes of still reaching the $2,500 mark, Paul Green, general drive chairman, announced today that the campaign would be extended still another week. This will make the drive two weeks longer than originally planned.

Most of the soliciting will now be done in the business district. Frank Lombardi is the chairman for this drive.

However, anyone wishing to contribute is asked to contact Mrs. Keith, by calling JUniper 4-3576.

The urgency of having all the money in as soon as possible was stressed today by Dennis Hession, general San Mateo county chairman. He asked all local chairmen and volunteers to complete their work by the end of this month, and send the receipts to the central office.

Another Week-end Accident Occurs At JS And No. 1

Following the usual trend, one of two automobile accidents in Daly City last week was at the intersection of Junipero Serra and Highway No. 1.

No one was injured in either of the wrecks, although all the automobiles involved sustained damage.

At 2:10 p.m. Sunday, Richard J. Merlo, 39, 59 Cliffside drive, stopped at the intersection of Junipero Serra and Highway No. 1. Finding a break in the traffic, he drove across the boulevard from off Highway No. 1, but only to collide with another car coming north on the boulevard. The force of the collision damaged the right front and hood of the other vehicle driven by Patricia A. Schabel, 20, 557 Divisidero street, San Francisco.

Merlo will need repair work done on his right front door and fender. Pending further investigation, police issued no citations.

Saturday at 11:02 p.m. two men both thought they saw green at the intersection of Junipero Serra and School street, with the result that two cars are in need of repair today after colliding at the aforesaid intersection.

Coming west on School street into the intersection was Eugene Van Culbertson, 27, 1817 Louvaine drive, Colma. He told officers the light was green when he went into the intersection.

Giving the same story about colors was George J. Boxer, 38, 2475 17th, San Francisco, who was coming north on the boulevard.

The fronts of both cars sustained damage, police said. Officers today are investigating the two "green" stories.

Thieves Get Lumber, Sheeting From Daly City Bldg. Project Tuesday

Thieves Tuesday night made a nice haul when they backed a truck up to a construction job in Daly City and hauled away 100 pieces of 2x4 and an unestimated amount of 1x6 sheeting.

The material was the property of the Lagomarsino Co., and was being used for building at the corner of Paul avenue off Bismark street.

Ask The Business Man: It Pays To Advertise In The "D. C. Record"

Advertising dollars in the "Daly City Record" are dollars well spent. But don't just take our word for it, call on Ray Charette of the "New Daly City Blind and Shade Co.," 30 Hillcrest drive. Recently Charette opened the window shade service in Daly City, and like all wise businessmen he advertised in the "Daly City Record."

"I find my advertising has more than payed for itself. It has brought me new business which increases with every issue of the "Record" and "Shopper," Charette said.

Get wise and advertise in the "Daly City Record."

Receipts Of OLPH Carnival Over $10,000 Mark

Somewhat over $10,000 was taken in at the annual Our Lady of Perpetual Help "Circus Carnival" last week, Father William Stewart said today.

An exact report of the sum could not be made at this time, as the necessary "bookkeeping" has not yet been accomplished.

However, the revenue this year was much better than had been expected, Father Stewart said.

Last year's Carnival netted the church $12,000.

All of this money is used to further the activities of the OLPH school in the community.

Meanwhile, several people are happier today because of the carnival. Driving a new sedan is John Kantor, 6446 Mission street. Marelen Firpo, 42 San Joaquin avenue, is now observing radio via a television set, while Mrs. Janet Fellman, 148 Peoria street, finds her laundry an easy task now that she has a new Bendix Laundray.

Father Stewart today thanked all those persons who so generously donated time and money to make the "Circus Carnival" such a success. He also had a good word for the "Record," and in a letter to this paper said:

"I would like to express through the "Daly City Record" my appreciation and gratitude to all who made possible the success of the Circus Carnival given by Our Lady of Perpetual Help Church on October 21, 22 and 23. This success was made possible by the generosity, good will and work of the many parishioners and Daly City merchants, and the wholehearted patronage of the people of Daly City and neighboring counties.

"A great deal of credit must be given to the Daly City Record for cooperating so splendidly in advertising the Carnival and in printing from time to time articles of interest concerning the Carnival. I am sure a great deal of interest in the affair and its Circus theme was stimulated by these articles."

Sincerely yours,
Father William C. Stewart

Daly City Band Plans Christmas Concert Dec. 18th

With less than two months remaining before Christmas, the Daly City Band isn't going to be caught with their instruments down.

Band leader George E. Brenner announced today that his group is now practicing for a Christmas concert. The concert will be held in the auditorium of Our Lady of Perpetual Help school, Sunday, December 18 at 2 p. m.

Assisting the band will be the Girls' High School Choir of OLPH school. The choir will be under the direction of Sister Superior Clarice.

As a special feature of the concert, Bobby Paredi, trumpet soloist with the band, will play a special arrangement of the "Holy City."

Watch the "Record" for a complete program of this fine Christmas concert.

SCHOOL SWING SHIFT ON WAY OUT -- FUTURE DEPENDS ON VOTERS

Swing shift days for 200 pupils at Woodrow Wilson school ended Monday with the opening of the school's new $74,588 annex.

With the addition of two kindergarten and two first grade rooms, pupils in the third and fourth grades at the school need no longer go in half day shifts.

The building is located on the Woodrow Wilson grounds between Santa Barbara avenue and Miriam streets, and in addition the classrooms also has a primary play yard and adequate lavatory facilities.

With the completion of this structure, the trend toward "swing shift education" seems to be on the way out in Daly City.

Superintendent James Snell says the second unit of new schools, the Gardei Village primary and intermediate, is scheduled for completion in February.

The third new unit, an upper grade school to be constructed at Market and Hillside streets, Colma, is now out of the planning stage. Work on this school will begin as soon as a site can be obtained.

These three buildings constitute the total approved under the state's "austerity" program.

Whether or not the contemplated school in the new Westlake tract, and other proposed schools, is constructed depends to a great degree on the fate of Proposition No. 1 at the special state election November 8.

If the voters approve the proposition, the state will be bonded for 250 million dollars to be loaned to school districts.

"We are making all plans based on the hope that Proposition No. 1 will pass," Snell said.

When and if the proposition passes, it will then be necessary to hold a second local election authorizing the school district's participation in the proceeds of the state bonds on a "borrowing" basis, Snell explained.

At the present time Architect Mario Ciampi, who also designed the Woodrow Wilson addition, is at work on plans for the proposed Westlake school.

Under present plans the new school would contain 12 classrooms and two kindergartens, adequate lavatory facilities, administration rooms and a multiple purpose room.

In addition, the plan includes outdoor classrooms and playground development. The building will be designed to serve pupils from the kindergarten through the first grades with an upper grade school on an additional 15-acre site.

"We can not give any date as to either the date of beginning construction or completion of the Westlake project," Snell said. "At the present time no school district funds are available for this school."

As mentioned before, these funds will only be available if Proposition No. 1 passes November 8.

Garcia Brothers Open New Market At 7369 Mission St.

Under both a new management and name today is Casentini Market, now the F & M Market, at 7369 Mission street.

The new managers are: Frank Garcia, 168 Los Banos avenue and Mike Garcia, 1836 Louvaine drive, Broadmoor. They have had years of experience in this line of work in Daly City's Milo's Market.

Presently the market is open seven days a week, including Sunday, and offers customers the best in every line of groceries.

An additional feature of the F & M Market is that there is plenty of parking space.

Girl Is Injured In Bike Wreck

Recovering from a slight head injury suffered in a bike-automobile accident yesterday, is 10 year old Mary Lewis, 275 Station avenue.

The young girl was riding her bike down the hill on Mateo avenue at 4:20 p. m. yesterday when she collided with the side of a car at the bottom of the grade, police said.

Driving the car at a slow speed was Leland Micheletti, 159 Werner, police reported. He was coming up Vale street.

The force of the collision threw Mary from her bike and she suffered slight cuts on her head.

She was taken to Junipero Serra hospital, treated, and released, police stated.

Poultry Co. Safe Cracked, Thugs Get $1,148

Police were searching today for burglars who emptied the safe of the Italian Poultry Co., 7339 Mission street, taking $1,000 in cash and $148 in checks late last Friday.

While a group of youngsters were playing in a recreation hall over the company, the yeggs rolled the safe from the front office to the back room. Knocking off the combination, the thugs "punched" the two-foot-square iron box and cracked it open.

Officer James Welsh discovered the burglary at 10 p.m. Friday when he noticed a small beam of light in the alley between the poultry company and a tavern. Investigating, he found a large sliding door had been opened and the light left on.

John Incrocci, owner, reported between $950 and $1,000 in cash taken as well as three checks made out to the company for $93.20, $18.24, and $37.13, respectively

This is the eighth burglary in Daly City during the past two months, police records show.

fun's a-brewin' for Hallowe'en

LOCAL HALLOWE'EN ACTIVITIES

It will be all treat, and no trick about it, for those hundreds of children and adults who take advantage of the many Hallowe'en parties in Daly City Monday.

The largest show will be sponsored by the Daly City recreation department, with seven different activities going on in that number of places Hallowe'en night.

Each of the Recreation Department's activities are geared for a certain age group and for each community in the Daly City area.

Among other things, there will be a giant costume parade, with prizes going for the funniest, prettiest and most original costume. The parade will be for youngsters six years and under, for the prettiest costume; seven to 10 years, for the funniest, and 11 years and up for the most original.

A costume parade will be held at each of the centers of entertainment.

Different children attending the parties will be called on to give some stage stunt or talent performance. Winners will be awarded prizes.

Of course, refreshments will be served free of charge to all those attending. These will consist of the traditional ice cream, doughnuts and cider.

Activities for all schools and halls will begin at 7:30 p.m. and run to 9:30 p.m. Only exception will be at Castle Hall where a teenage dance will be held. The dance will continue until 10:30 p.m.

Here is the tentative program for Jefferson High School, Our Lady of Perpetual Help School and General Pershing school:

7:30 to 8 p.m. — Audience participation in various stage stunts.

8 to 8:40 p.m. — Movies will be shown, consisting of the traditional comedies, cartoons, and travel pictures.

8:40 to 9:15 p.m. — The costume parade will be held, at which time prizes for the best costumes will be awarded.

9:15 to 9:30 p.m.—Refreshments will be served, and the audience will participate in various talent performances.

Following is the location, age groups, and schools "served" by the parties:

Jefferson, Thornton and Woodrow Wilson for 4th grade and up at Jefferson High School cafeteria.

Jefferson, Thornton, and Woodrow Wilson for 3rd grade and under at Jefferson High School Little Theatre.

Our Lady of Perpetual Help, Woodrow Wilson, Crocker and General Pershing for all ages at OLPH school hall.

Crocker and General Pershing for all ages at General Pershing.

General Pershing, 3rd grade and under, at Peoria Scout house.

In addition to these parties the regular folkdancing session will be held at Bellevue Hall. These classes, under the supervision of Mrs. Pabst, are for all age groups.

With a hope of entertaining the teen-agers, the Recreation Department also has a dance at Castle Hall from 7:30 to 10:30 p.m.

Chairmen of these various activities include Elman Rose, Erle Johnson, Mrs. Helen Cheatham, and Mesdames Dennis, Sullivan, Freeland, Schmidt, Larson, Pabst, and Hill.

Playground officials who have also taken an active part in the program include Herb Osuna, Glen Smith, Jake Fisher, Mike Orlich, Bill Firpo, Ed Cassilagio and Jack Root.

In addition to these parties, there are also various other parties sponsored by clubs and churches. Among these are:

Friday, October 28, 7 p.m.—American Legion and Auxiliary No. 410, Hallowe'en party at the Legion Hall, 474 San Diego.

Friday, October 28, 7 p.m. — Party for the Intermediate Grace Church of the Nazarene members.

Monday, October 31, 7 p.m.—Party for the Young People's group of the Grace Church of the Nazarene.

Further information on other Hallowe'en activities may be found elsewhere in the "Record."

"COME, MY LOVELIES, TO THE POLICEMEN'S BALL"

Tickets to the annual Policemen's Ball in the San Mateo Fiesta Building this Saturday, October 29, are here being distributed among six comely misses of Jefferson High school. Evidently pleased by both officers and their ducats are, left to right (back row): Misses Marlene McKinnon, Louis Anderson and Myrtle Goff. Equally happy are, left to right (front row): Misses Louise Chessman, Lyndy Rivera and Laura Chessman. Officer Henry Sunderman, sans sunglasses, left front, and Officer Edward Beecher also seem to be enjoying their work. Full details on the Policemen's Ball may be found on the first page of the second section. (Photo by Myra)

NEWS OF YOUR NEIGHBORS

Mrs. Marcie Trier, Daly City's congenial librarian, will be one year younger this Saturday, October 28. Her many friends will honor Mrs. Trier at a special birthday luncheon Friday at the Relish Bakery. Mrs. Trier will not say how many candles will be on her cake, but chances are she won't need very much breath to blow them all out.

Gravel voiced Sgt. William Bolger is now in his third week of battling with the Daly City Police department's new teletype machine. On the whole the Sgt. reports he has the machine under control. To date he has made few errors and actually can send out a 20 word message in less than 10 minutes. However, he has yet to transfer his amazing typewriter skill to the keyboard of a teletype. This, he admits, may take a good many months. However, Sgt. Bolger is satisfied with his own progress. "Taking it all in all, I'm not doing bad at all," he says. We don't think anyone will disagree.

Diana Donati, daughter of Mr. and Mrs. August Donati, 789 San Diego avenue, will be three years old October 31. As this day is Hallowe'en and many children are in school Mrs. Donati has decided to hold a birthday party for her daughter Saturday, October 29. The party, to begin at 2:15 p. m., will be held at Diana's home. Those invited to attend are: Elton and Elena Rossi; Joey, Dicky, Marlyn, Gitta Biachi; Ronnie, Bobby, Carol Brugioni; Gilbert and Olivia Fontana; Lynda Ballati; Lynda Sarraaen and Denise Ruggeri.

John Mongan, vice-principal and boys' counsellor of Jefferson High school, is one of three recent appointees to the San Mateo county child guidance commission in Burlingame. Others appointed to the Burlingame commission include: John A. Cost of San Carlos and Mrs. J. M. Foley of San Mateo.

Mrs. Katherine Ottoboni of the Tanforan Florist Shop, 6173 Mission, is home today after an operation last week. The well known Daly City personality was in Franklin hospital 10 days after the operation. She is now recovering at her San Bruno home.

Joe Kacvinsky, Fred Hanel, Bill Kelly, Dominick Lenzini and Leon Ellis are the lads who are chalking up the wins these days for the Colma-Vista Grande Aerie No. 1848 FOE bowling team. The keglers, who to date are in the top ranks of the league, may be seen in action any Wednesday night at the Sports Center Bowl, 29th and Mission at 8 p. m.

Beth Calvin, daughter of Mr. and Mrs. John S. Calvin, 222 Whittier street, has been elected publicity chairman of the Spartan Spears, service organization of outstanding sophomore women at San Jose State college. She is a sophomore interior decorating major.

Wilbur Fellows, son of Mr. and Mrs. Horace Fellows, 196 Los Banos avenue, has been elected president of Iota Delta Phi, French honor society, at San Jose State college. He is a senior studying for a general secondary teaching credential in French and Spanish.

Sil Menicucci of Colma and Sil Dubiosi and Councilman Adolph Sani of South San Francisco are all back today from hunting with smiles on their respective faces and pheasants in their bags. The three men returned Monday from a nine day hunting trip to South Dakota via Western Air Lines. Menicucci reports all three got their limit of pheasants.

Grand Canyon Village

One of the world's strangest locations for a settlement is at the bottom of Grand Canyon where the Indian community of Supai, Ariz., is located. A helicopter delivered parts for a quonset hut used as a church there. The community post office is one of the few to which United States mail is delive horse and mule.

Pumpkin Pie Pleases "Papa"

June Whitley and Bob Young as the "Andersons"

June Whitley, glamorous "Mother Anderson" of NBC's Thursday evening program, "Father Knows Best," doesn't have to rely on her acting talent to be at home in the kitchen. At one time food editor of a Canadian newspaper and a well-known home economics expert, June still prides herself on her cookery.

But this year June finds that she has to do double-duty. When she baked a Pumpkin Chiffon Pie for her husband, radio newsman Bill Whitley, Jr., she also had to make up a large family-size pie for Robert Young and the rest of her "Father Knows Best" family.

This recipe is equally appropriate for Hallowe'en or for Thanksgiving:

Pumpkin Chiffon Pie

Combine ¾ cup strained cooked pumpkin
¼ cup brown sugar
½ cup milk
2 tbs. molasses
3 egg yolks
1 tbs. butter
½ tsp. ginger
½ tsp. cinnamon
¼ tsp. nutmeg

Cook slowly for 15 minutes, stirring constantly. Cool.

Beat 3 egg whites until stiff, but not dry. Slowly add ¼ cup sugar, beating constantly. Fold into pumpkin mixture. Pour into baked corn flake crust. Chill until set.

Corn Flake Crust

Mix 1 cup cornflake crumbs
¼ cup shortening
⅓ tbs. sugar

Press into 9-inch pan. Bake at 325° for 5 minutes.

Fixa Confers With Postmaster Gen'l.

John F. Fixa returned to his desk Monday as postmaster of San Francisco following a trip to Washington where he discussed plans for additioinal facilities for the San Francisco post office.

During conferences with Postmaster General Jesse M. Donaldson and other departmental officials, Fixa stressed the need for additional stations, enlargement of many existing stations, a new garage to house and repair motor vehicle equipment and new trucks to modernize the post office fleet.

Postmaster Fixa was happy to note that Postmaster General Donaldson was fully aware of the problems created by the expanded population in San Francisco. He promised that the necessary expansion will be made as quickly as budget allowances would permit.

Fixa will be sworn in as permanent postmaster of San Francisco within the next few weeks.

Navy Reserve Info Given Recruits

Primarily, the Naval Reserve trains men and women to help strengthen the nation's armed forces — to strengthen our chances for continued peace.

It does this through organized divisions, volunteer units, training duty ashore and correspondence courses.

Only members of the organized divisions, which reservists join of their own will, are required to attend two-hour weekly training drills and go on an annual two-week training cruise. They may withdraw from the Naval Reserve in peacetime whenever they wish, but few have done so.

Naval Reserve training can increase your civilian earning capacity; it can develop your favorite hobby. Hundreds of Bay Area men, for example, become expert radiomen and radio repairmen through both organized and volunteer training.

Grand National Opens At Cow Palace October 28

Opening tomorrow, October 28, at the San Francisco Cow Palace is the Grand National livestock exposition, horse show and rodeo.

Hundreds of trucks, vans, stock cars and trailers bearing millions of dollars worth of the finest show horse and livestock, were streaming in to the Cow Palace today.

Here are some of the many events which comprise the Grand National:

The World Championship Finals of the International Rodeo Association, the all out battle for the 1949 official buckaroo titles—

A national full division horse show, biggest and most elaborate ever held on the Pacific Coast—

Slim Pickens and Andy Womack world's greatest rodeo bullfighters who with no other protection than a cape and barrel defy death or the horns of the man killing Brahma bulls—

Ann Hendricks and the world's most accomplished and valuable high school dancing horse—

Aida, "the star in the Moon," a spine chilling high aerial act never seen before on the Pacific Coast—

The Flying Twins in daring Roman riding and jumping.

Tickets are now on sale at the Cow Palace and all leading downtown box offices.

Hold On To That Social Security Card Lower Stub

Workers today, were advised to always keep one section of their social security card at home.

"Each social security card is issued in two parts," E. J. Foley, San Mateo social security administration manager, said. "The worker should carry only the upper part with him when applying for work. The lower section should be left at home."

If the upper portion is lost, the worker can obtain a duplicate without delay by presenting the stub to the nearest office of the social security administration. If both are lost, he must wait until the central social security files are checked.

Foley said a recent study in his office showed that only 10 per cent of the people asking for duplicate cards presented the stubs.

What happened to the original cards? Foley said the study revealed that 48 per cent of the applicants said their wallets had been lost or stolen. Another 50 per cent said they had mislaid their cards, and only two per cent reported their cards destroyed by fire, flood, or other accidents.

The San Mateo office of the social security administration is located at 42 North B street.

Broadmoor, Garden Village, Colma Sport News Wanted

The "Record" wants to write about those games now being played or planned in the BROADMOOR, COLMA, GARDEN VILLAGE districts. If YOU or your friends have any sports news from these areas the "Record" will be glad to print it on this page. Help us make a paper which will get your name, and the name of your favorite team in print. Any sports news, from Daly City, or the aforesaid areas may be mailed to the "Daly City Record," 3317 San Jose avenue, Daly City 25; or may be phoned in by dialing JUniper 5-3215.

Make Paper by Hand

Hand paper making is still a sizable industry in Japan. A relatively modern machine can produce as much paper in 20 minutes as one man can make in a year, but the hand products are superior in strength and beauty.

NO FREEZER NEEDED—Pedro Gomez, Puerto Rico crabman, doesn't need a freezer unit to sell his wiggling merchandise. In the short space of three hours Pedro gets rid of a whole day's catch, selling the live crabs from door to door in the town of Ponce. Crabs make one of the island's favorite meals.

"Free" Movies Saturday At Broadmoor Church

Saturday movies for children of the Broadmoor - Garden Village area are now being offered by the Community Presbyterian church.

The shows are given from 10 a.m. until noon each Saturday at the 87th street west of Junipero Serra boulevard church.

Admission is free, although a "silver offering" is taken at the movie. All of the money from the offering in turn is used to rent new films.

Features shown on the two-hour program ar especially chosen for the younger generation and include everything from western serials to educational films.

Measured by attendance, the church movies can be said to be popular. Last Saturday over 100 boys and birls were on hand for the show.

Including its approaches, the bridge spanning the Sydney, Australia, Harbor is 2¾ miles long.

Mario Sereni Fined $50 For Failure To Have State Builder's License

Pleading guilty to a building violation, Mario Sereni, 2 Village way, Colma, was fined $50 in police court Friday.

Sereni was charged with building a home for Robert and Rose Callan, 188 Werner avenue, without having first obtained a builder's license.

P. S. Schmidt New Broadmoor Police Chief

Official chief of police for the Broadmoor, Garden Village area today is Paul S. Schmidt.

Schmidt has been serving for the past several months as acting police chief. He was named to the regular position this week by the police commission.

At the present time, the Broadmoor police station, located on 90th between Sweetwood and Edgeworth, is manned by Schmidt and one officer, Louis Avanzio.

The police station is open 24 hours a day, Chief Schmidt said. In addition to their regular equipment, the officers have a 1949 automobile for official use.

Protection is given to citizens in Broadmoor, Garden Village and a section of Colma by the Broadmoor olice department.

While all emergency calls should be made to the Daly City police department, JUniper 5-4212, regular calls should be made to the Broadmoor station at JUniper 4-4967, hief Schmidt said.

COLMA --- BROADMOOR GARDEN VILLAGE

Nov. 1, Colma PTA Celebrates 17th Birthday Party

Celebrating 17 years of active service to community and school, the Colma PTA will hold a birthday meeting November 1.

The meeting, to begin at 1:30 p.m. in the Colma community center, Dunk street, will mark the 17th consecutive year that the Colma PTA has been functioning.

Featured speaker of the day will be Mrs. Stella Jensen, Colma PTA counselor from the 17th district. She will speak on Propositions 1 and 2 in the November elections.

Also on the program will be musical selections followed by refreshments.

Meanwhile, the Colma PTA executive board met October 18 at the home of Mrs. Jensen to plan the birthday meeting.

On the same day, later in the evening, the Colma PTA was represented at the Jefferson High school "Father's Night" by six youngsters.

Julienne and Richard Landi played an accordion duet; Dennis sang three novelty numbers.

Mothers Meet At Broadmoor Church Tuesday

Mothers of students in the Broadmoor Community Presbyterian church kindergarten and Sunday school met at the church Tuesday to discuss mutual problems.

Mrs. John Lapine was in charge of the meeting and she was assisted by Mrs. Helen Sayer and Mrs. Janet Edler.

During the course of the conclave, the mothers were told what the church was endeavoring to do for their children. Mrs. Lapine explained what was taught in the kindergarten and Sunday school, and why it was taught.

Following the meeting, the ladies were given refreshments and balloons—the latter being for their children.

Broadmoor Town Meeting Friday At Community Hall

Topics to be discussed at the Broadmoor "Town Meeting" this Friday, October 28, were planned Tuesday night at a caucus meeting of the Broadmoor Property Owners Association.

As earlier announced, the chief topic will be a discussion of possible annexation of Broadmoor to Daly City. Other points will cover the activities and progress in civic improvements in the area during the past six months.

All civic groups in the Broadmoor and Garden Village area are asked to attend the "Town Meeting." It will be held at the Broadmoor Community Center at 8 p. m. The public will be invited to participate in the discussion at 9 p. m.

Sunday Sermon Topic At Broadmoor Church Announced

In commemoration of the 432nd anniversary of the Protestant Reformation, a special sermon will be given at the Lutheran Church of Broadmoor Sunday.

The Rev. Max Zschiegner will deliver the sermon at the White street near 87th street church. Special emphasis will be put on the spiritual and doctrinal 'reformation" undergone in the church in the 16th century, rather than the mere moral change. The message will aim to stress the fundamental theme of Luther's Reformation.

The public is invited to attend the sermon.

Meanwhile, the mothers of Broadmoor Lutheran Sunday school pupils, and ladies of the Lutheran church will not meet today, October 27. The meeting will be held at some future date, time and place to be announced later.

The group meeting weekly discussing the chief teachings of the Bible under the leadership of the pastor, will meet this evening, October 27, at the home of Mr. and Mrs. K. Brugge, 515 87th street, Broadmoor. Anyone interested is invited to join this group.

Broadmoor Shuttle Bus Service Begins Nov. 6; To Cover Larger Area

Shuttle bus service for the Broadmoor area begins at 8 o'clock Sunday morning, November 6, and will cover two-thirds more territory than the present No. 26 bus.

This was the announcement today of officials of the Broadmoor Property Owners Association.

Present plans call for the bus to operate from 6:30 a. m. to midnight during the week, and at a later morning hour on Sunday.

Route for the new service will be as follows: Leaves the Bank of America in Daly City to School street, across Junipero Serra to 87th, up 87th to Larchmont, over Sullivan, up Washington, through Broadmoor to Nimitz drive, then back to School street.

It is expected that the new bus will operate at approximate 20 minute intervals.

As announced, it will cost an additional 10 cents to ride the shuttle bus. No transfers will be given.

This new service will run for three months. If, by that time it has not proven economically sound, the San Francisco Public Utilities Commission may discontinue service.

Engineer Planning For Broadmoor, Westlake Street

Moving into the realm of action today is a plan for a through street to connect Broadmoor, Garden Village and Westlake.

A. J. Bodien, works superintendent, reported that an engineer for Henry Doelger, Lloyd Haniline, is now making a survey for a possible street to connect the areas.

As earlier proposed, the street will run north and south, 300 feet east of White street, west of Garden Village school between 87th and Highway No. 1.

Principal difficulty of plotting such a road is that it will mean taking some property from the Jefferson elementary school district, the city of San Francisco, the Lake Merced Golf course, and possibly removal of two homes on 87th street.

However, Bodien was optimistic and believes these difficulties can be worked out without too much trouble.

"We need the road, there is no question about it," Bodien said. "At the persent time, in case of fire or emergency, it is necessary to cut over to Junipero Serra before a car can get between Broadmoor and Westlake."

Meanwhile, the proposal has met with the approval of the San Mateo County Planning Board, Bodien said. Bodien indicated the Board would recommend some action by the county supervisors on the proposed road.

As it now stands the cost of the project would be shared by the city, the residents of the two areas, builders in the area, and by the county.

VFW Auxiliary To Hold Apron Sale Saturday

With Thanksgiving and Christmas cooking just around the month, many cooks will be in need of new aprons.

Aware of this fact, the Lake Merced Post No. 9921, VFW, will hold an apron sale at King's Market this Saturday, October 29. The sale will be conducted throughout the whole day, and will feature the best in home made aprons.

All money from the sale will be used by the VFW national home for children whose fathers were killed during the war.

Meanwhile, the auxiliary held a pot-luck dinner last Tuesday, at which some 60 guests were present. Among those on hand were Mrs. Eleanor Hatt and Mr. Binns, folk dancing instructor, who was the principal speaker.

Broadmoor VFW Fights Successful

Memories of young boxers are still fresh in the minds of those who attended the Lake Merced Post VFW 9921 social and boxing matches Tuesday.

Many guests saw lads from the San Francisco Boys Club tangle in the ring. Following the fights, the boys were persented with "Gold Glove" pins. These were presented by Post Commander Kelleher.

Honored guests of the evening were Dr. Bazzano from West Portal and Dr. Carr also from that district.

Following the fights, refreshments were served at the social.

Meanwhile, Commander Kelleher again reiterated today that any man who has served in the armed forces outside the continental United States may join the VFW.

The family is the basic unit of organized society. From it have grown the tribe, the nation, and the race. Its development marked man's first step from primitive to civilized life.

In the protection of his family and the pursuit of its comfort and happiness, man has developed all of his arts, sciences, industries, and institutions. The home is the greatest factor in human progress.

Nations grow strong and great as their family life improves, and they deteriorate and fall when the family breaks down.

Our hope as a nation lies in restoring and strengthening the home life of our people. Influences which tend to undermine the family have crept in, so that today the American home is in serious jeopardy.

The strength of the family is in its faith—faith in God, faith in the right, faith in each other. We must restore these. We must turn to the Church and the teachings of the Bible if our country is to survive.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Jefferson High School Players Present Smash Broadway Comedy "John Loves Mary," November 4

Comedy will be the note at the annual Jefferson High school play November 4 when students put on the smash Broadway hit, "John Loves Mary."

The play, to be presented in the high school auditorium at 8 p.m., ran for over one year on the "Great White Way" in New York. And from here it looks as if many people in the Daly City area will be asking for more than a one-night stand at Jefferson High school.

Taking star billing in the production will be Steve Ward, Lynd Rivera, Bob Mink and Jerry Ward. Others in the cast include Peggy Jones, Russell Murphy, Caroline Hyndman, Allan Davis and Gene Daneluz.

Tickets for the show no one should miss, may be purchased at the high school, or from various long-haired high school lads. The price is nominal for the best seat in the house.

Author of the play, Norman Krasna, has earned a coast-to-coast reputation for putting his foot into things and not only pulling out unscathed but also improving it a little. It's all part of his theory that "It's better to be wrong than silent."

He got a job as assistant publicity director at Warner Brothers. One day he was invited in to see an office showing of a film produced by a big name. At the end of the showing the big name asked for suggestions for improvements. Shy and retiring, Krasna ventured forth his modest opinion: "The only way you can improve that film is take a pair of scissors and cut it—lengthwise."

And so Krasna joined the ranks of the unemployed. Now Krasna, although he has been called a genius and a boy-wonder, is only human. He eats. He reached into his desk drawer, dusted off his typewriter, and finished the play he had started some time before.

The play was "Louder Please," the title of which certainly could not have been a request Krasna was making upon himself, but it was indeed an indication of his feeling that the way to success is by beating a drum or otherwise making a noise. In any case, his first play was a success, and brought him fabulous movie-writing contracts. He's continued to write other palys, and while some of them didn't hit the jackpot, his "Dear Ruth," a war-time romance, was a great hit, and "John Loves Mary," a sentimental and merry fable about a returned soldier and his sweetheart, also scored handsomely, with a year-and-three-days run in New York, and comparable runs in Chicago and other cities.

Jeff High PTA Fall Bazaar Slated Friday, November 4

Shop for Christmas gifts at the annual Jefferson High school PTA Fall Bazaar, November 4, PTA officials said today.

The bazaar will be held at the Daly City Masonic Temple, 17 Hillcrest drive, from 9 a.m. to 4 p.m. In addition to many beautiful Christmas gifts, those attending the bazaar will also find ready cooked food for dinner.

The bazaar also will provide an opportunity for ladies to get together for a friendly talk. Luncheon will be served at the Masonic Temple during the Friday bazaar.

Meanwhile, the executive board of the Jefferson High PTA met at the home of Mrs. E. Hanley, 43 Woodrow street, today, October 27. During the meeting, the members completed arrangements for the bazaar and laid plans for a Hallowe'en celebration and Faculty Tea.

Those who attended the last regular district meeting on October 10 at Half Moon Bay were fortunate to hear Dr. Ralph G. Eckert, chief of bureau of Parent Education. His topic, "Foundations for Better Family Living," helped to shed light on the problem of parenthood.

Mrs. William McKesson, legislation chairman for CCPT, thoroughly explained the importance of Propositions 1 and 2.

Representing Jefferson high school were Mrs. Lillian Thomey and Mrs. L. M. Hill.

Symphony Season Opens November 10

The 38th season of the world-famed San Francisco Symphony Orchestra will be featured by appearances in Berkeley, Palo Alto, San Jose and Sacramento, it was announced today. The season opens in the War Memorial Opera House on November 10.

The 1949-1950 season will offer fifteen Friday matinees and seventeen Saturday nights, with seventeen Thursday night concerts for campus Symphony Forum subscribers. The only non-student subscribers who will be admitted to that series are those who renew subscriptions they already hold.

The 38th season of the Symphony will mark the 15th anniversary of the organization under the directorship of Pierre Monteux. The orchestra's ten broadcasts on the Standard Hour are heard throughout the seven Western States.

Church Choir Practice Wed.

Rehearsals of the Grace Presbyterian church choir are held every Wednesday at 7:45 p.m. at the church at Hanover and Evergreen.

Miss Marion Walker is director of the choir. She is a native of Lebanon, Indiana, where she was in charge of the musical education and director of the choirs of the First Presbyterian church.

Those interested in singing in the choir are invited to attend the practice sessions. Now the group is working on special music for Thanksgiving and Christmas.

Happy Birthdays!

Harry the "Happy Baker" is spending most of his time this week devising various forms of Hallowe'en cakes and pies. However, he has plenty of time to prepare birthday cakes for those fortunates marking a birthday this week.

To all those in the Daly City area who are a year older, if under 21, or a year younger, if over 30, Harry wishes the best.

October 28—Lorraine Rice, 451 89th street; Lawrence Wirland, 1307 Sweetwood drive; Marjorie Wright, 1824 Louvaine drive.

October 29—Charles Clayton, 17 Garden Lane.

October 30—Donna Mahood, 169 W. Moltke.

October 31—Richard Ferretti, 532 Cayuga avenue.

November 1—Loretta Firpo, 63 Werner; Walter Buneman, 912 Washington street; Mrs. S. Del Biancia, 302 Vista Grande.

November 3—Vic Varni, 75 Crocker avenue; Angelo Bernardin, rt. 1, box 136, Colma.

OFFICIAL ALOHA — Hawaii's official Aloha Week ambassadress, who bears the charming name of Kaili-Mahuna Jones, greets reporters on her arrival in San Francisco. On a tour of the West Coast, Miss Jones will tell the story of the festival to be held in Honolulu early in November.

SOCIETY

TO TEACH DANCE

Opening a dancing school in Colma November 5 will be Miss Carol Rae. Miss Rae, who has taught in Seattle, San Francisco and Hollywood, will offer the finest instruction in tap, toe, ballet, and acrobatic dancing.

School Of Dance To Open In Colma Saturday, Nov. 5

Dancing from tap to acrobatic will soon be taught in the Daly City area by Miss Carol Rae.

Miss Rae plans to open a Studio of Dancing in Colma November 5. The expert dance instructor has taught in Seattle, San Francisco and for the past three years in Hollywood.

During her last stay in the south, Miss Rae acquired many of the latest routines which she now offers her students. Instruction will be offered in tap, toe, ballet and acrobatic dancing.

Classes will be small, as only a limited number of students will be enrolled. Further information may be had by calling JUniper 4-3042, and by watching next week's "Record."

Instrument Wonder Player At Local Church Sunday

Hartley Postlewaite, "Instrumental Virtuoso," will give a concert for the Sunday school at the Grace Church of the Nazarene at 9:45 a.m. this Sunday.

The talented youth, who has traveled all over the nation and given renditions at the Youth for Christ rallies, has offered to play any instrument, that anyone may bring for him to play, on Sunday morning.

Hartley Postlewaite will also give a musical program at the Young People's service Sunday evening at 7 p.m. Young people are especially invited to come and hear him play.

Hallowe'en will be celebrated in the church recreation hall with several parties. The Intermediates will meet on Friday, October 28, at 7 p.m. and the Young People's group will meet for their fun on Monday evening, October 31. Any intermediate or young person is invited to attend these parties, if they desire.

A pot-luck dinner will be held in the hall for friends and members of the "$2 Parsonage Club" on Saturday, October 29, at 7 p.m. Immediately following the dinner, a program will be given by the Young People's group.

District RNA Meet Scheduled Nov. 16

Under discussion at the last Friday night meeting of the Vista Grande Camp No. 6035, Royal Neighbors of America, was the Golden Gate district meeting November 16.

This district conclave will be held in the San Francisco Druids hall, with a dinner at a San Francisco restaurant preceding the meeting. Time of the meeting and dinner will be announced later.

Daly City will have a special interest in the district meeting, as at that time 10 new members from the Daly City Camp will be initiated.

Visitor for the evening at the Friday meeting was Mrs. Christiana Hamill and District Deputy Mrs. Alice Didier.

The next regular get together of the group will be held Friday, November 4, 8 p.m. in the Little Italia Hall, 6229 Mission. All officers and members are invited to attend.

Dance, Pot-luck Dinner At Legion Hallowe'en Party

Dressed in appropriate costumes, members of the American Legion and the Auxiliary No. 410, Daly City, will attend a Hallowe'en party Friday, October 28.

The combination dance and pot-luck supper will be held at the Legion hall, 474 San Diego, beginning at 7 p.m.

Everyone planning to attend is asked to do two things: First, wear a costume or mask in the best Hallowe'en manner. Second, bring one of your favorite dishes to the supper.

Further information as to costumes and types of food to be brought may be had by telephoning Mrs. Margaret Rector at JUniper 7-6882.

All Legion and Auxiliary members and their friends are invited to attend the dinner and party.

Darlene Bortis, 6279 Mission street, Daly City, will graduate from The Dental Nurses Training School of San Francisco on November 17.

Girl Scout Council Meets For Discussion

Girl Scouting as it is related to the community was the principal point of discussion at the Thursday, October 27, meeting of the Daly City-Colma-Bayshore Girl Scout Council.

The meeting was held in the Parkview scout house and was presided over by Group President Mrs. Mattrup Jensen.

A report was heard from the committee on "Neighborhood Planning In Scouting."

Following the report, Miss Caroline Passoneau, scout field director, spoke on the aforesaid program as it operated in San Mateo county.

Another guest speaker of the evening was Mrs. Hilda Heagney who gave a report on the Girl Scout International Conference which she recently attended.

Edgewood Group To Hold Social Evening Nov. 19

Put a ring around November 19. That's the day the Edgewood Terrace Civic Association holds a "Social Evening."

The combination box lunch and dance affair will be held in the Daly City Masonic Hall, 17 Hillcrest drive, at 8 p. m.

Members of the Association and their friends are invited to attend. Also it is hoped many people from the Hillside Manor district will be on hand for the evening.

In addition to folk, popular and other types of dancing, there will be a variety of entertainment.

A portable electric sewing machine will be given away to some person who comes to the affair. The machine is a gift of the Industrial Sewing Machine Co. of San Francisco.

Only price of admission to the event is a box lunch. Everyone is requested to bring such a lunch.

Jeff High "Guff"

By Bettie Duffy

The students at Jeff are really getting to show off their talents this semester with the speech department play, "John Loves Mary," and the Aquacade.

Following the Aquacade a "Hi Jinx" is going to take place. Anyone on the campus may participate, especially if he has a gift for music, a funnybone for humor or the ability to portray skits and other entertaining features. All this will be combined in our "Hi Jinx."

CAMERA WEEK

Last week everyone came to school with his camera in his hand. The object of camera week was so that the students could snap pictures of their friends to have printed in the yearbook, of course the funnier the pose the better.

SPANISH CLUB NEWS

Spanish club held its first meeting Thursday of last week. There are about 25 new members in the club, and Spanish pins will be available to those who wish them.

WORLD AFFAIRS GROUP

A new club has been organized this semester, for the purpose of learning more about the problems of world affairs. The student officers of this club are: president, Jola Gorsuch; vice-president, Arlene Summers, and secretary and treasurer, Pat Austring.

LATIN CLUB

A visit to a radio program is one of the newly laid plans of the Latin Club. The club members are also planning to draw up a constitution for the club at a later date.

RESULTS OF THE RUN-OFF ELECTIONS:

Last Friday the low seniors voted Delores Furioso, vice-president. Also the results of the sophomore class are as follows: Gene Lorenzo, president, and Marion Newcomb, treasurer.

DRAMATICS CLASS

The dramatics class has just finished a three-week personality course, under the direction of the dramatics teacher, Miss Seaton. The students analyzed each other's looks, faces, hair, manners and clothes. They have been taking daily breathing exercises and have been improving their diction and voice. Their next work will be interpretations which take in pantomimes and one-act plays.

Scrapbooks are being kept by the students for the whole semester, which will include illustrations of the complete course.

NDGW Centennial Dansant October 28

Final arrangements have been completed for the Native Daughters of the Golden West Centennial Dansant and Reception Friday evening.

President Louis Schweitzer announced the event would take place in Santa Barbara Hall, Native Sons building, 414 Mason street, San Francisco. Time was not given.

Mission Parlor No. 38, NSGW, will be honored guests of the evening.

Chairman Dolores Donohoe is being assisted by Ann Dippel, Nellie Ohlendorf, Inge Meyer, Teresa Estelita, Marian Reed, Constance Warshaw and Winifred McGrath.

Woodrow Wilson PTA To Hold "Cooked Food Sale" At Sprouse-Reitz Store This Saturday, October 29th

Selling everything from cakes to pies, the women of the Woodrow Wilson PTA will hold a "Cooked Food" sale this Saturday, October 29.

The sale will be conducted at the Spriuse-Reitz store, 6400 Mission. Goods will be on sale from 10 to 4 p.m.

Money raised from this sale will be used by the ladies for future PTA activities.

Final plans for the sale were made at the home of Mrs. Emil Bertelli, 34 Bepler street, last Monday.

Meanwhile, meeting November 2 at 1 p.m. at 448 Santa Barbara avenue will be the Woodrow Wilson PTA executive board.

Mrs. Sanford Larson will be hostess, with Mrs. J. E. Surber assisting. One of the main topics of discussion will be the resumption of the hot dog sales.

Last Friday Mrs. Charles Keith, WWPTA room mothers chairman, called a special meeting to discuss plans for the year. Mrs. Keith selected the following mothers to represent the various classrooms: Mesdames Philip Gray, H. S. Garrison, Charles Hansen, John O'Keefe, E. Golden, L. W. Vesey, John Cromack, Jane Pollard, L. Attenberry, C. Lair and James Hickey.

D. C. Sportswomen Discuss Winter Club Activities

Tentative plans were discussed for the Daly City Sportswomen winter activities at their last meeting at the home of Mrs. Ed Nenstiel October 19.

These plans consisted of participation in such activities as bowling, flycasting and target shooting.

Along this same line, Mrs. Thelma Ralston, president of the California Women's Casting Club, was guest speaker. She explained the techniques of wet and dry fly casting and invited club members to participate in the casting tournament held every other Sunday from October through May at Golden Gate Pools.

"Free instruction in wet and dry fly casting, bait casting and distance casting may be had at the pools," Mrs. Ralston said.

The Sportswomen received an invitation to the installation of officers, followed by dinner and dancing to be held at the Parkside Fish and Game Club, November 12. Several members stated their intentions of attending the affair.

After the regular business session refreshments were enjoyed by the following members and guests: Mesdames Mildred Whinnen, Betty White, Violet Prigmore, Lorene Gardner, Lillian Miller, Gwen Reed, Jean Tranberg, Audrey Poff, Lorraine Fox, Marcie Trier, Thelma Ralston, Virginia Meirding, Mary Sholkowski, Dorothy Traxler, Frances Nenstiel and Miss Ruby Miller.

Meanwhile, at the coming November 16 meeting there will be a swimming party at the Marine Memorial pool. A business meeting will follow at the home of Mrs. Virginia Meierding.

Anyone interested in joining the Daly City Sportswomen is urged to contact Mrs. Ed Nenstiel, club president.

Intermediate Girl Scout Troop No. 1 Cooks Out Of Doors

Cooking out of doors was practiced this week by two patrols of the Intermediate Girl Scout Troop No. 1.

All the cooking was done in the back yard of Mrs. Larson's home at 315 Templeton. On Saturday the B patrol made campfire stew, as did the A patrol on Tuesday.

In addition to the stew, the girls also enjoyed a lettuce salad and various types of desserts.

While the cooking was going on, there was a demonstration of how to use a knife, and the girls sang various songs.

The dining table was designated as such by a centerpiece of flowers and leaves.

The next "cook-out" for A and B patrols will be held Saturday and Tuesday, respectively.

Those members of B patrol taking part in the last "cook-out" were Sharon Bradly, Joan and Judy Dunne, Esther Larson, Linda McArdle, Sonya Thorna and Mrs. Mary Larson, director.

Members of patrol A doing cooking were Beverly Brewster, Grace Hernandez, Patty Michelson, Patty Phillips, Margaret Michelson, guest, and Mrs. Wanda Michelson, director.

Fascinatin' Fashions

By Judy Seaton

Rosemary Rice's version of the "little black dress" is—two! One of radio's busiest young actresses, Rosemary's schedule for any day looks impossible to accomplish. There is her weekday stint as one of the leads on NBC's daytime serial, "When A Girl Marries," plus numerous other radio spots, *and* her role in CBS's tele-vised "Mama," *and* interviews, photographic sittings, studying, *ad infinitum*. It's no wonder that Rosemary—Posy for short—finally had to sit down and have a long talk with herself about wardrobe. The problem was to reduce clothes planning to a minimum and still look svelte and perfectly groomed during the toughest of television rehearsals.

"I like simplicity," Rosemary says seriously, "Yet not too-tailored simplicity. A well-fitted, light-weight black wool dress for Fall is a worthwhile investment for me because, of course, I can vary my accessories—even carry evening earrings and clips in my bag for dates."

Plus the wool, Rosemary chose another black dress — a two-piece this time—of faille with a button-up neckline. The current big news in fashion is the use of the ultra-luxurious underblouse to transform a daytime suit to a cocktail dress, so she wears a powder-blue blouse with a smartly décolleté neck treatment. During the day, her finery's discreetly hidden from view; at cocktail time, she simply doffs her jacket.

Light HOUSEKEEPING

Seventy years ago, Oct. 21, 1879, Thomas A. Edison gave to the world the first incandescent lamp. Successive improvements of the great inventor's lamp have brought blessings of bountiful light at low cost.

As the darker days approach, a little *Light* Housekeeping will save you money and brighten your home. Here's how:

1. Light output from lamps can be increased as much as 30 per cent by regular cleaning of lamp shades and bowls.
2. When lamps get old and black their light output can drop as much as 20 per cent.
3. Use the right size bulb for every seeing need.

Auxiliary Hears The Rev. Cronin

With an attendance of more than 100 members and guests, Serra High School Mothers' Auxiliary recently presented Rev. Bernard Cronin, Ph.D., in the first talk of a series on "Family Life Education."

Father Cronin, director of health and hospital work in the archdiocese of San Francisco, is also archdiocesan director of Family Life Education. He spoke of his observation on family life in various European countries gleaned during a recent European tour and stated that Ireland seems to have the most stable family life.

During the business session President Mrs. Herman Kruse announced that the "Christmas Season Tour of Homes" will be held December 14 with four lovely Hillsborough homes opened for view with Christmas decorations featured.

Rev. Joseph D. Munier, Ph.d., professor of industrial ethics at St. Patrick's Seminary, Menlo Park, will present the second talk on "Family Life Education" at the November 16 meeting at Serra High School.

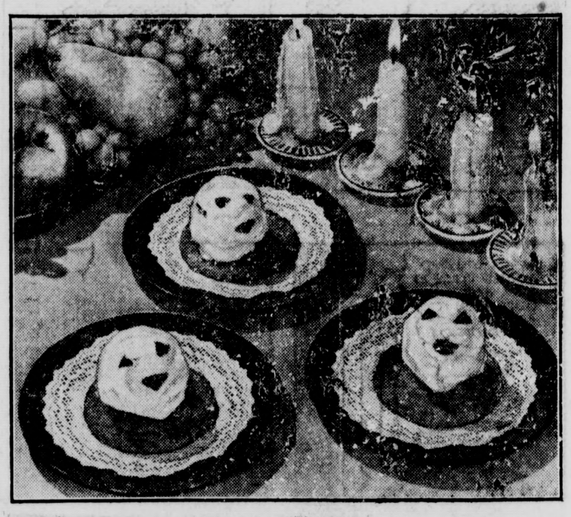
Bethel No. 183 To Meet In San Francisco Nov. 4

Mother and dad's night will be marked Friday, November 4, when Bethel No. 183 meets at 4705 3rd street, San Francisco.

The meeting of the San Francisco group will begin at 7:30 p.m. The Honor Queen, Miriam Yergy, will preside at the meeting.

All members are invited to attend.

Ice Cream Jack-O'-Lanterns Add Magic to Hallowe'en Feast



WHEN the black cat comes scratching at your door and the wise old owl hoots from a nearby tree and bats go swoosh-ing past the darkening windows, it's Hallowe'en, and the children, please, would like a party.

It's not difficult to be ready with their top favorite refreshments—ice cream and cookies—if you make the sweetened condensed milk kind. They are magically easy, and they're made by failure-proof recipes, so you're sure of good results with the least expenditure of time and worry. The cookies are made without flour, eggs, shortening or additional milk or sugar. Be sure to use sweetened condensed milk when it is called for in a recipe; it is a blend of fresh whole milk and sugar, with much of the water removed. Evaporated milk, sometimes confused with it, has no sugar, and won't "work" in recipes calling for the sweetened condensed variety.

Serve the ice cream so that it will be as decorative as it is delicious. Scoop it up on cookies, and push triangular bits of candied cherry into each mound for eyes, nose and mouth, and a little strip in the top for a pumpkin stem. It's surprising how like pleasant little Jack-o'-lanterns these ice cream balls look.

Magic Jack-O'-Lantern Ice Cream

2/3 cup sweetened condensed milk
1/2 cup water
1-1/2 teaspoon vanilla
1 cup heavy cream

Set refrigerator control at coldest point. Mix sweetened condensed milk, water and vanilla. Chill. Whip cream to custard like consistency. Fold into chilled mixture. Pour into freezing tray. Cover with waxed paper. Freeze to a firm mush (about 1 hour). Turn into chilled bowl. Break up with fork then beat with egg beater until fluffy but not melted. Quickly return to tray, cover with waxed paper. Return to freezing unit. Freeze until firm. Makes 1½ pints.

Magic Fix-Way Cookies

1-1/3 cups (15-oz. can) sweetened condensed milk
1/2 cup peanut butter

Any one of the six ingredients listed below:

2 cups raisins
2 cups corn flakes
3 cups shredded coconut
2 cups bran flakes
1 cup chopped nut meats
2 cups chopped dates

Mix sweetened condensed milk, peanut butter, and any one of the six ingredients listed above. Drop by teaspoonfuls onto well greased baking sheet. Bake in moderate oven (375°F.) for 12 minutes or until brown. Remove from pan at once. Makes about 30 cookies.

INTEREST RATE:

Maximum five (5) per cent per annum, payable semi-annually on July 1st and January 1st in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable semi-annually.

PAYMENT:

Both principal and interest of said bonds are payable in lawful money of the United States of America at the office of the Treasurer of said City, in Daly City, California.

REGISTRATION:

Coupon bonds will be issued by the City. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE:

Said bonds are authorized and will be issued for the purpose of acquiring, constructing and completing municipal improvements for purposes necessary and convenient to carry out the objects, purposes and powers of said city, pursuant to vote of more than two-thirds of the voters voting on propositions for said improvements at said election.

SECURITY:

Said bonds are general obligations of the City of Daly City, and said City has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within the City of Daly City, subject to taxation by said City (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS:

In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or by decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the City, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION:

The legal opinion of Messrs. Kirkbride, Wilson, Harzfeld & Wallace of San Mateo, California, approving the validity of said bonds will be furnished to the successful bidder without charge; additional legal opinions will be at bidder's cost.

TERMS OF SALE

Highest Bid:

The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the City would be required to pay from the date of said bonds to their respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the City. The lowest net interest cost shall be computed between the dates aforesaid according to standard bond interest tables. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the City.

Right of Rejection:

The City of Daly City reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

Prompt Award:

The City Council of the City of Daly City will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given to the City Council notice in writing of the withdrawal of such proposal.

Prompt Delivery:

Delivery of said bonds will be made to the successful bidder at the office of the City Treasurer in Daly City, California, as soon as the bonds can be prepared, which it is estimated will be about January 15, 1950.

Right of Cancellation:

The successful bidder shall have the right, at his option, to cancel the contract of purchase if the City shall fail to tender the bonds for delivery on or before January 15, 1950, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

Form of Bid:

All bids must be for not less than all of the bonds hereby offered for sale; and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to "City Clerk of the City of Daly City, City Hall, California", and endorsed "Proposal for City of Daly City Recreation Bonds of 1949."

Bid Check:

With each bid must be submitted a certified check or cashier's check for $5,000, drawn on a bank or trust company transacting business in the State of California, payable to the order of the City Treasurer of the City of Daly City, to secure the City from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the City on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the City. Checks of the unsuccessful bidders will be returned by the City by mail upon the award of the bonds. No interest will be paid upon the deposit made by the successful bidder.

OLPH School Heads Touch Football League At Half

Our Lady of Perpetual Help school finished the first half of the Daly City Recreation Department touch football league on top in both the "A" and "B" divisions.

Both the OLPH teams have won three games and lost none. And to date no team has been able to score against the OLPH "B" squad.

This Saturday the league will again see games at Marchbanks park between the following lads: Jefferson vs. Woodrow Wilson, field No. 1, B team, 10 a.m., A team, 11 a.m.; Crocker vs. OLPH, field No. 2, B team, 10 a.m., A team, 11 a.m.

In last Saturday's games OLPH beat W.W. to remain undefeated, but did not score until the closing seconds of the game when Laramie intercepted a pass and ran 50 yards for a touchdown.

In the other A game, Crocker nipped Jefferson 7 to 6 to remain in second place. In the "B" division, the Jefferson "Buzz-Bombs" put on the best show of the day by defeating Crocker 13 to 0, while the OLPH had an easy game with the Woodrow Wilson boys, beating them 22 to 0.

There were approximately 350 boys and girls participating and watching the games. Parents are welcome any time.

Meanwhile, a city-wide handball tournament is now in progress. There are A and B singles and doubles for the boys and the girls. The city champions should be crowned before Thanksgiving vacation.

If any boy or girl is interested in playing please see the local school representative. These representatives are: Don Pagani, Jefferson; Jack Fischer, Woodrow Wilson; William Tergis, Crocker, and Father William Steward, OLPH.

Returning to last Saturday's games, here are the players of the week as chosen by their teammates: Jeff A team, C. Maynard, Crocker A team, Jack Plunket. In this game Maynard caught a 30-yard pass inches from the goal line and scored for Jeff. Plunket made a touchdown and also conversion on passes from Verese.

In the Woodrow Wilson and OLPH B team game F. Mecchi was chosen best player for Woodrow Wilson, while Waligora, for his passing, rated the vote of the OLPH boys.

On the A teams of these same schools, Thur took the honors for Woodrow Wilson while Laramie won out for OLPH.

H. Frost was chosen the best player for the Jeff B team for his passing and D. Kalinin won honors with the Crocker B team.

Mustangs Roll On For Eighth League Victory; Will Tackle South San Francisco Windbreakers November 6

By Allen Pettigrew

Sunday afternoon on Witter Field, Piedmont, the Daly City Mustangs recorded their eighth league victory when they rolled over the Piedmont Buds 28 to 9 in their ninth Western Football League game.

Despite heavy losses due to injuries in the preceding games the Mustang reserves came through with a very favorable performance. The Mustangs' first tally was produced when the alert tackle Charlie Rivers intercepted a Piedmont pass and employing a terrific burst of speed, raced 55 yards with the help of a key block thrown by Charlie Simmons in to the end zone. The try for point was blocked.

With three minutes left in the first quarter the Mustangs found themselves being held by a stubborn Piedmont line after a sustained drive from their own 20 to the Piedmont 16. With third down and 8 to go, the Mustang coaches, Ferrando and Dilly, sent in QB Bob Plyer. Detecting a weakness in the Piedmont defense, Plyer called a jump pass which he executed perfectly to end Chuck Adams, who went into the end zone untouched. Tubs Currier's kick was good making it Mustangs 13, Piedmont 0 at the end of the first quarter.

During the second quarter, the Mustangs had their jobs cut out for them in stopping three Piedmont drives which all ended within the Mustangs' 25 yard line. The Piedmont team tallied 2 points when a punt, after taking a bad bounce, touched safety man Ross and rolled into the end zone and was recovered by a Piedmont player. Half time, Mustangs 13-2.

The second half found the Piedmont team fighting to overcome the lead the Mustangs had tallied in the first half. Though hampered because of injuries the Mustang defense turned in a stellar performance. In the third period a Piedmont drive was halted when safety man Bob Plyer intercepted a pass on the 50 yard line and raced back to the Piedmont 19 yard line. On the second down Marlowe cashed in on the highly deceptive bootleg play by racing around left end for 16 yards and a TD. Tubs Currier's kick good. Mustangs 20-2.

From the kickoff Piedmont put a sustained drive together and tallied their lone touchdown of the day when Carl Quento, fullback, charged into the end zone from 11 yards out. The kick was good. End of third quarter, Mustangs 20-9.

With five minutes to go in the final period Bob Plyer, a standout on pass defense, again intercepted a Piedmont pass. This time he brought it back 25 yards to the Piedmont 40. After two consecutive downs by the hard running backfield aces of the Mustangs, Marlowe handed off to Ross, who blasted over right guard from six yards out into the end zone, standing up. Currier's kick was blocked. Mustangs 26-9. Not to be outdone in the scoring department the Mustang line drove the Piedmont team back to their own 3 yard line. On the next play Bob Wyman slashed through the Piedmont line and dropped the ball carrier in the end zone for a safety. Final score: Mustangs 28, Piedmont 9.

This Sunday the Mustangs have no game scheduled. On the following Sunday they will play the league's leading SSF Windbreakers in what will appear to be the crucial game of the season for the league championship playoffs.

The Mustangs will be playing that Sunday game with the bitter memory of last year when the Windbreakers humbled the Daly City boys by 26 to 0.

FROSH-SOPH LOSE SECOND LEAGUE GAME

Playing their second league game of the 1949 season, the Frosh-Soph football team went down in defeat at the hands of the Sequoia eleven, 27-0.

Jefferson has yet to hit the winning circle this year, but if the boys keep trying they will come out victorious.

The boys improved on their blocking and tackling, but the Sequoia team took to the air and outplayed the Frosh and again the Frosh were beaten.

First Quarter

Jefferson kicked off to Sequoia. Sequoia took the kick-off on the thirty yard line and ran it back to the thirty-nine. On the first play of the game Sequoia threw a pass which was good for twenty-six yards.

With the ball on the Jefferson forty-five yard line, the Cherokees ran the ball to the Jefferson five yard line but could not score. Jeff took over and ran the ball to the Sequoia 20 yard line.

Here Sequoia took over on the 20 and threw a pass to the 40 yard line. Again they took to the air, scored on a forty yard pass play, and Sequoia was ahead in the first quarter 7-0.

Second Quarter

Jefferson marched from their ten yard line on a pass play to the fifty yard line. Here they ran the ball to the Sequoia twenty-seven, where they were stopped cold.

Sequoia took over, got nowhere, and was forced to kick.

Jefferson did not do anything in the second quarter, but Sequoia intercepted a Jefferson pass and ran for twenty yards for the second Sequoia tally. The score at half time—Sequoia-13, Jeff-0.

Third Quarter

Sequoia kicked off to Jeff. Jefferson advanced the ball from their 10 yard line to the Sequoia 40 yard line. Here they were stopped cold. Sequoia took over and on a series of runs and passes, the Sequoia team again scored.

Late in the third quarter, Jefferson fumbled the ball and Sequoia ran over for the last tally of the game.

Fourth Quarter

Neither team could do anything so the final score was Sequoia 27, Jefferson 0.

Jefferson will travel to San Jose October 27 to play their third league game of the 1949 season.

120s WIN THIRD STRAIGHT GAME

Coach Orlich's dreams for a championship were half shattered last Thursday, October 20, by the 10s' loss to the Sequoia Cherokees.

The 10s and 20s went into the game with two straight wins behind them. The 10s were outplayed and lost 29-33. The 20s showed their strength and won by the score of 33-23.

Eeven though the 10s lost their first league game, they will still have a chance for the championship if they win the rest of the games.

The 20s are tops, and could go all the way to the taking of the championship. The 20s were behind at half time, but rallied to win in the last quarter.

The 10s were outplayed all through the game. The boys tried hard, but this time were not quite good enough to defeat a strong Sequoia team.

Larry Hutchinson again was high point man for the tens with 12 points. Hutchinson plays the forward position and can really make the goals.

Dan Silva played a good game at the guard position and came out with 9 points in his credit.

In the 20s game, the game was won because of team work. All the boys played well and showed their alertness to overcome a strong Sequoia team.

Frank Hartje, who plays the guard position, again kept his average of 10 points per game by scoring 10 points. Frank handles the ball well and proved he can really make the long shots by making most of his shots out in the middle of the court.

The 10s and 20s deserve a lot of credit for playing such good basketball so far this season. With Coach Orlich behind them, the teams should still come out on top.

S. M. Jaysee Meets SFCC 11 Sat. Night

San Mateo Junior College will meet the City College of San Francisco gridders on the Burlingame High School field this Saturday night in a conference game.

This is the first home night game the Mateans have ever played as the field was lighted only recently. The game starts at 8 o'clock.

San Mateo has won two straight victories in league competition, winning over Stockton and Hartnell colleges, while San Francisco has been tied by Monterey.

The Mateans' latest victim was Hartnell College of Salinas, beaten last Friday night 20-13 on the Salinas field. San Mateo used a ground game throughout the evening but made one short pass to end Sam Nicolopulos of South San Francisco good for one of the three touchdowns.

Jeff Indians Meet San Jose At Home Friday, October 28

By Milton Tromborg

The Jefferson High Indians will play host Friday, October 28, to the San Jose Bulldogs with kick-off time set at 3 p.m.

So far this year San Jose has not yet met defeat, while Jefferson has won two and lost two.

The Peninsula Athletic League is in a three-way tie at this time of the season. San Jose, Palo Alto and Lincoln have all won their league games and are tied for first place. South San Francisco and Sequoia are tied for second, while Jefferson, Burlingame and San Mateo are tied for last place.

Sequoia Tips Jeff 13 to 6

The Jefferson Indians went down in defeat at the hands of the Sequoia Cherokees by the score of 13 to 6 last Friday, October 21.

Sequoia scored in the first quarter on a 22-yard run and in the last quarter on an 18-yard run. Jeff's only tally came in the first quarter when Don Lunghi ran over from the two-yard line.

Both teams were about even on offense and defense, but Sequoia showed a better passing attack. The Jefferson team had as good a running team, and both teams put a lot of power in their backfield.

John Crawford did almost all the running for the Cherokees, while Don Lunghi did all the running for the Indians.

The Jeff line was more outstanding on defense than they were on offense. The tackling was better and so was the blocking.

The starting lineup for the Indians was as follows: Gonzales, l.e.; Harrison, l.t.; Hamann, l.g.; Bricker, c.; Martinez, r.g.; Druhan, r.t.; Lauffenburger, r.e.; Baggetta, q.; Lunghi, l.h.; Kliem, r.h.; Ritter, f.

First Quarter

Jefferson kicked off to Sequoia to the Sequoia 20 yard line. Sequoia ran the kick-off back to their own 30 yard line. Here the Sequoia team marched down to the Jefferson 22 yard line. On an off-tackle play, right halfback Emmett Porter ran the ball over for the first tally of the game. The try for the extra point was good, and Sequoia took the lead of 7 to 0.

The Jefferson team came back late in the quarter to score. After Don Lunghi had intercepted a Sequoia pass on the 50 yard line, the Jeff Indians ran the ball down to the Sequoia two yard line. Here Don Lunghi took the pigskin over for the only Jefferson score. Ed Perrens' try for the extra point was not good, so Sequoia took the lead in the first quarter, 7 to 6.

Second Quarter

The whole second quarter was played in the middle of the field, with neither team being able to get past each other's 20 yard line. At half time, the score stood, Jefferson 6, Sequoia 7.

Third Quarter

This time Sequoia kicked off to Jefferson. Don Lunghi took the kick on his own 25 yard line and ran it up to his own 35. After getting nowhere on three plays, Ed Perrens kicked to the Sequoia 25 yard line. Sequoia could only run the ball to their own 35 and they were forced to kick.

The rest of the quarter went the same way with neither team getting in scoring position.

Fourth Quarter

Jefferson started the fourth quarter with the ball on their own 20 yard line. The Indians were only able to get to their own 48 yard line, where they were forced to kick.

Sequoia took the ball on their own 22 yard line and ran the ball down to the Jefferson 30 yard line. Here Don Lunghi intercepted a pass and ran it down to the 50 yard line.

Jefferson tried a pass on the first play but Sequoia intercepted the ball and ran it to the Jeff 35 yard line. On four plays Sequoia got the ball down to the Jefferson 18 yard line. Here Sequoia ran over on an end sweep and scored the last tally of the game. The try for the extra point was no good and so the game ended by the final score of 13 to 6.

San Clemente - Oceanside — 15,240 kelp and sand bass, 14,940 barracuda, 1,560 white sea bass, 1,000 halibut, 890 albacore, 540 mackerel, 360 yellowtail, 750 other species;

San Diego—17,880 kelp and sand bass, 2,080 barracuda, 1,220 bonito, 980 yellowtail, 890 mackerel, 720 other species.

Mono county was organized in 1861.

DC Boys Club Loses 3-2; Plays Kiwanis Sunday

By Angelo Craviotto

Holding Loop Bowl for six innings the Daly City Boys Club ran out of gas and lost by a sputter 3 to 2 Sunday.

Going into the seventh with a two-run lead, three consecutive errors by Craviotto, Spinetti and Leveroni proved the Daly City lads' downfall.

Hatchel pitched a ball game which he deserved to win with the right support. He struck out 12 batters, and allowed no earned runs.

Outstanding player for either side was Bab Kalinin, DCBC second baseman, who played great defensive ball and drove in one of the two runs scored.

This Sunday Al Davis, club manager, leads his high spirited boys to again take the roll of underdog against Mission Kiwanis at Glen Park at noon. It is these same Kiwanis who defeated the California NSGW by a lopsided score of 24 to 6

At the present time in American League the Daly City Boys Club is holding sixth place with one to the good and two lost. On top is Pages Club with three won.

Following is the box score for Sunday's game, and the league standings as of October 23.

LOOK OUT, FERDINAND—Although soccer has replaced the traditional bull-fight as Spain's national sport, crowds still flock to cheer and jeer the fighters at Madrid's arena. This picador, his feet and calves well protected by steel and leather, inflicts painful wounds on the bull to weaken and madden him. Then the matador takes over.

Colma Boys Lose Third Straight; Play Seals Sunday

Continuing their nose dive toward the cellar, the Colma Boys Club dropped their third straight game in the Seals Stadium league Sunday.

Although it was A-1 ball, the final score was 4 to 2 in favor of Ayoob Sports Shop.

This Sunday the Colma boys will tangle with the Jr. Seals at 12:30 p. m. in the Seals Stadium.

In last Sunday's game Babe Ottonello pitched an excellent game, allowing only four hits. However they were fatal, as each of the hits made it across the home plate.

The Ayoob pitcher allowed seven hits, but the Colma boys only saw home plate, coming in from third, twice. Ottonello and Dundas drove in the two scoring runs.

Another unique feature of the game was the singular lack of errors. Except for one error made by the Colma boys, when the second baseman slipped, the score sheet was clean in the error column.

Monterey was the seat of Spanish and Mexican government in California for 80 years.

Bears Meet Bruins This Saturday

The only two PCC teams with unblemished conference records—California's Bears and the Bruins of UCLA — will meet to decide which is going to relinquish this honor Saturday in Los Angeles' Memorial Coliseum.

The Bears, undefeated in six games, three of them conference contests, will leave for Los Angeles aboard the Lark Thursday at 9 p.m. They are scheduled to arrive in Glendale Friday at 8:40 a.m and will stay at the Huntington Hotel in Pasadena. A workout at Tournament Park is planned for Friday.

Though the Berkeley branch of the clan has been tabbed as a "surprise" all season long, the Westwood brethren have acted in an even more unexpected manner.

The Bruins, who are the third California opponents with a new coach and a new system of play, have won four conference battles. Their single wing, with Red Saunders the mastermind in back of it, failed against Santa Clara's Broncos in non-conference play, though it did vanquish the University of Iowa. Iowa defeated Northwestern, 28-21, this past Saturday.

JS Merchants Win First Game In "AA" League

When that evening sun went down Sunday at Funston No. 2 the Junipero Serra Merchants were ahead of Grosso Music team by 6 to 3.

As there were no lights, it was decided to call the game for the Merchants.

This is the first real win the Daly City team has had in three times up in the "AA" Winter League. To date they have lost one, won one, and tied one.

Little can be said for the Sunday game except that Fazio and Newman did an adequate job of pitching for the Merchants.

This Sunday the Daly City lads will be on home ground again when they meet the 1093 Club at Marchbanks at 2 p.m.

USE LOWER BEAM

When driving at night, lowering of the high headlight beam when vehicles approach from the opposite direction, is required by law. According to the National Automobile Club, the low beam should also be used when following another vehicle upon the highway at night. The high beam will disturb the operator ahead and when reflected in his rear vision mirror, presents a distinct hazard.

NEWS FROM THE SCHOOLS

JEFFERSON

FIRST GRADE:

Room 5 enjoyed a musical activity program during their music period. They skipped and marched around the classroom to marches, kept time tapping out rhythm to rhythmic songs, and participated in motion songs led by Ronald Tesono, Carol Lynn Huber, Judith Shenone and Terry Christman.

SECOND GRADE:

The morning session of the second grade, room 4, is compiling books of drawings concerning their social studies program, Life in Our Community. These books bring about an interesting correlation of social studies, art and language. Pamela Meitz, Wayne Moon, Bill Thurman, Jimmy Mayer and Ann Schweitzer were elected by the class to edit the first group of books.

The second grade in room six is enjoying the social studies unit Our Community. Dixie Howell made a map locating Jefferson School and the surrounding territory. The class drew pictures of stores in the community, which they plan to make into a book. The community helpers are Donald Servente, and Anton Ronuio as traffic officers; Bonnie Lou Ladd is the health inspector; Louis Donate has charge of the door. Next week they are looking forward to seeing pictures about Our Community Helpers.

SECOND GRADE-THIRD GRADE:

A new phase of learning has opened up for the afternoon session of second graders in room 6. The pupils are now working with figures in addition and subtraction combinations. To each child, numbers now have a definite meaning and usage when applied to everyday experiences. The pupils are now formulating their own arithmetic problems to be placed before the class for solution. David Broudy, Page Chiapella, and Betty Ann Callan are to present problems to the class this week. The third graders have been learning to read two- and three-digit numbers and understand the component parts of each. The pupils also made paper coins to demonstrate in dramatic play the purchasing of articles and the receiving of change.

The third grade in Jefferson Annex is now a group of 43 interesting children. Since the fall term opened their major concern has been centered around increasing their knowledge of the "three R's."

Writing has proven particularly interesting as the children are learning to change from manuscript to the cursive form. The story of Columbus, always an interesting one, gained new meaning when Dennis Golobic brought a model of the "Santa Maria" for the class to see.

All the third graders join in saying "thank you" to Jo Ann Varni for bringing three lovely plants to make their classroom more attractive.

CROCKER

PTA MEMBERSHIP

The students of Crocker are proudly reporting of word received from Crocker P.T.A. President Mrs. Erwin Schmidt that the two weeks' drive for membership in the P.T.A .has resulted in 62 new members. Forty of these members were brought in by the Crocker A.M. and regular session students, with the result that an award of a worthwhile portable radio is being presented to the winning class, the fifth grade students of Room 2, regular session. On Wednesday, October 19, at an outdoor assembly presided over by Virginia Chan, student body chairman, the presentation was made by the Crocker P.T.A. President Mrs. Schmidt and was accepted by Angelo Casserino and Doris Meyers, room representatives for Room 2. Present at the assembly to witness the good fortune of the school was Superintendent Snell and Supervisor Falconer.

OUTDOOR RALLY

During the physical education period last Friday, an outdoor rally was held by the Crocker student body. The cheer leaders led the school in true fashion, cheering for the Crocker Coyotes and Coyettes. Following the cheers, "pep" talks were given by Captains Martin Verece and Dick Kalinin to the players, urging them to "break those lines." The fine spirit of good sportsmanship shown by the Crocker team and captains is certainly training for tolerance, teamwork, cooperation, and life attitudes necessary for community living.

NEW OFFICERS

Election of officers for glee club and orchestra took place this past week. The result of the election was: Glee Club — Marcia Golden, president; Patsy Coffee, vice-president; Maxine Faulk, secretary; Lois Pera, librarian. Orchestra — Alice Quickert, president; Carrol Bate, vice-president; Shirley Melicker, secretary; Gilbert Newcomb, librarian.

SOCIAL STUDIES

A new experience and interesting activity were engaged in as part of the social studies and art period. Students in the room parchmentized the time line, which is a panel of chronological historical data from the time of the first inhabitants, the Indians, to the present time.

FILMS

Two very instructive films on decimal fractions and percentage were shown to seventh and eighth grade students as a portion of their correlated arithmetic, and as a review of these basic fundamental principles involved in further mathematical computation.

ROOM 4

A very effective science experiment on air pressure was practiced in Room 4 last week. An egg was boiled and peeled. A piece of paper was lit and placed in a tall milk bottle. When the egg was placed on top of the milk bottle, it was immediately sucked through, even thought it was much larger than the opening. The boiled egg was sucked in with such force that it was smashed against the bottom of the bottle. The heated air had expanded and rushed out of the bottle and the remaining air contracted. This contracted air in the bottle was of lower pressure than air outside the bottle. The air outside the bottle was of greater pressure than the contracted air inside the bottle and therefore forced the egg inside. The students were fascinated with this experiment. It was a good indication of the power of air pressure. An understanding of this simple experiment, it was explained, would provide a key to the many ways air pressure is used in the world around us.

ROOM 6

The pupils of Room 6 have been learning about the effect of geography and the occupations of people.

They have also found out that certain types of work are no longer being done in vulnerable areas, and that government workers are searching for caves which would make shelters for laboratories.

The work on the Constitution will be carried on all year. The class has discovered that many of the rights are inherited from such ancestors as the Magna Carta, the Bill of Rights, and the Petition of Right.

ROOM 5

Many of the students of Room 5 culminated their unit on safety when they went on a bicycle ride to Lake Merced after the school's football game. They observed the rules which they had previously studied and discussed, and completed the ride safely. While at the Lake they had races between the detour signs, built a pyramid, and took part in other stunts. All in all the trip was an enjoyable one and the students have asked that they do something similar again.

A stimulating social studies period was had Monday when students brought things from Japan which they have been studying during the past week. Each student showed what he brought, whether it was a Jap rifle or elaborately carved chest inlaid with Mother of Pearl and then told something about the object and how it was obtained. In addition one boy presented a special report on Mount Fujiama and showed a picture which he had made of it. Now the pupils are ready to travel on to China.

White Sox Lose To Visitacion Valley 9 to 7

By Charles Jason

In a well-notched game last Sunday, the newly-organized Daly City White Sox lost a game to the Visitacion Valley Boys Club 7 to 9.

Pitching a good game for the White Sox was Willie Neive and one Charles Jason. However, neither pitcher was successful at bat, in that they never got to first base.

Neive also was the powerhouse, as far as batting, with four times up and crossing first base twice. Other hitters were Gene Ramey and Jack Groggins.

The White Sox manager, Gowden Francis, and Mr. Schlopfer are pleased to see that the players' parents are interested in their sons' welfare to the point where they are sponsoring a baseball team.

Jeff High Picks Ideal Junior

Not to be outdone by Hollywood press agents who have recently picked the worse dressed man, Jefferson High school has its idea of the "Ideal Junior Girl and Boy."

Following is a list of names and attributes of those curvacious and brawny gals and boys, respectively, at the high school who are now juniors:

Jeff High Pool, Gym Closed For Hallowe'en

Gym facilities and the swimming pool will be closed at Jefferson high school Hallowe'en, Coach Glen South announced today.

However, after Monday the gym and pool will again reopen from 7:30 p.m. to 9:30 p.m. and from 7 p.m. to 9:30 p.m., respectively, five days a week.

South also today called for basketball players to augment teams already being formed by the older users of the gym.

"We want players for our basketball teams. Anyone of any age and ability can play. The only thing he has to do is to come down to the gym during the week," South said.

In addition to the basketball facilities there is also equipment for various other types of sports. Everyone in Daly City is invited to use same.

Meanwhile, plans were going ahead to close the pool for the winter November 19. Until the pool is opened again sometime next March, it will undergo repairs and cleaning.

Daly City Billiard Parlor Has New Counter, Fountain

New and better fountain service is now offered customers at the Daly City Billiard Parlor, 6380 Mission street.

For the convenience and comfort of customers, sandwiches and cold drinks are now served over a stainless steel counter. The seats are also done in stainless steel, although the "sitting" section is as soft as any easy chair.

But not only is the counter an improvement, take a look behind the counter at the ladies serving. They are known to one and all as Pat and Berniece, respectively, and offer friendly, cheerful service.

Come into the Daly City Billiard Parlor today and take a look at the new counter and the beautiful waitresses.

Heavy Eaters Invited To Turkey Dinner November 9

A turkey dinner with all the trimmings will be served November 9 by the Women's Council of the Grace Presbyterian Church.

The big feast will be held in the Daly City Masonic Hall, 17 Hillcrest drive, beginning at 5 p.m.

All of the birds will be cooked by experienced experts, and they promise to be the tastiest turkeys this side of your own Thanksgiving dinner table.

Money from the feed will be used for the future construction of the new Presbyterian church.

Everyone is invited to attend the dinner, and especially those big eaters who never seem to get enough. The women promise there will be good white and dark turkey meat to fill even the largest stomach in Daly City.

NATIONAL GIRL SCOUT WEEK, OCT. 30 TO NOV. 5 MARKED BY LOCAL MEMBERS

Girl Scouts and Brownies from the Daly City area will observe National Girl Scout Week from October 30 to November 5.

The majority of the girls will participate in the week by wearing either their brown scout uniforms or green brownie uniforms. Other girls will sell the well known Girl Scout calendars.

The sale of these attractive calendars is sponsored by the National Council and approved by the local Community Chest. Contact your nearest brownie or scout if you want one of these calendars.

When Girl Scout Week begins this Sunday more than 450 young ladies in this area will take part in paying homage to Juliette Gordon Low, founder of the movement. This will be done through a series of service days and by telling everyone in the community about scouting.

During the week, the scouts and brownies will celebrate in their individual way the seven service days, which Sunday through Saturday are: homemaking, citizenship, health and safety, international friendship, arts and crafts, out-of-doors.

Meanwhile, in connection with the local observance of Scout Week, a trailer entitled "Come Along With the Girl Scouts" will be shown at the Daly City Theatre Wednesday and Thursday evenings. Star of the show will be Margaret O'Brien, supported by Girl Scouts.

Although there are 125 adult volunteers giving generously of their time in capacities as leaders, co-leaders and committee members, there is still a vital need for leadership. This the film brings out.

Persons interested in helping are asked to contact the local Girl Scout office, JUniper 5-7584, or Mrs. John Calvin, troop organization chairman, at DElaware 3-6644.

Radio listeners will also be told about Scout Week in two nationally-broadcast productions. The first will be Saturday, October 29, at 10:30 a.m. over radio station KGO. The half-hour show, entitled "Your Sister, Your Friend" will dramatize how the scouts help a girl from a foreign land to adjust herself to new surroundings.

Another radio show, "Juvenile Jury," will be heard over station KFRC the next day, Sunday, at 12:30 p.m. During the course of the program several mentions will be made of Scout Week.

$215,215 Building Permits Issued

Moving forward with plans to build over 6,000 homes in the Westlake tract, Henry Doelger this week was issued 17 building permits, totaling $215,214, by the City of Daly City.

The Doelger homes call for the usual five and six room single family dwellings.

Another large building project, this time by the Hillside Manor Corporation, resulted in the city issuing eight permits to that company last week valued at $56,000. These are five room single family dwellings.

Also planning to build homes, but on a much smaller scale are: Mr. and Mrs. E. Dentone, a five room $11,000 home at 89 Second avenue; and J. C. Hayward, a $7,000 home at 359 San Diego avenue.

Borax, ulexite, colemanite and kernite are the important commercial borate minerals of the United States.

The first transcontinental air mail flight from New York was completed at San Francisco July 29, 1920.

Auxiliary Plans Turkey Whist Party, Masonic Hall, November 2

A combination "Turkey-Whist" party will be held this Wednesday, November 2, by the Colma Vista Grande Aerie No. 1848 FOE Auxiliary.

The party will be held in the Daly City Masonic hall, 17 Hillcrest drive, at 8 p.m.

The public is invited to attend.

Over 8,000 People Expected To Attend Annual Peninsula Officers' Association Dance At San Mateo Fiesta Building

With tickets going faster than the proverbial hotcakes, approximately 8,000 people are expected to attend the annual Policemen's Ball Saturday, October 29.

This was the report received today from the Peninsula Police Officers' Association, sponsors of the dance to raise money for widows and orphans of former members.

Tickets for the ball, to be held in the San Mateo Fiesta building, are now in the hands of all residents in the Peninsula, as they were mailed out earlier in the month. However, if you were overlooked, the ducats may be obtained by calling on the Daly City police department at city hall.

This is the first large scale ball ever held in the hall, the Association said. Decorating the building is now in progress with all the bright colors imaginable being used. The special lighting effects are being installed throughout all rooms to assure the guests the very utmost in comfort and convenience, the Association reported.

Harry Diner and his orchestra will supply the music for the evening. In addition to the 20 musicians, there will be a vocalist.

Throughout the evening various types of entertainment have been planned for those who do not wish to dance. The exact nature of this remains a secret.

Work was begun on the San Francisco - Oakland Bay Bridge July 9, 1933, and it was completed November 12, 1936.

Drunkenness Charge Against Two Men To Be Heard In Court

Facing charges of drunkenness in police court Friday, October 28, will be two men.

Walter O. Nehmzow, New San Francisco Auto Court, was released from jail Sunday morning after being picked up Sunday for alleged drunkenness.

Released on $9 bail on the same count was Frank Shulz, 1156 Potrero avenue. He was arrested at 5:20 p.m. Saturday on the aforesaid charge.

DC Man Loses Car To Thieves Over Week End

Walking today is Nicholas Carrassi, 33 Garwood drive, who was the victim of automobile thieves over the week end.

Sometime between 5:30 and 6:30 p.m. Saturday thugs drove away Carrassi's auto from in front of his home. The car was a two-door sedan of the 1936 vintage.

CATFISHING GOOD

Catfishing in Glenn county is reported good by the National Automobile Club. Several fish up to 5 pounds in weight have been taken. Best fishing is in the Willow Creek drain.

Lombardi Now Has "Loxit," Automatic Brake Lock Device

With an answer to cars that runaway on hills today is Frank Lombardi, and an exclusive item only at his 6498 Mission street garage.

The answer is a "Loxit." This device locks all four brakes when you turn off the ignition. With the brakes locked there is little or no chance that your car will make headlines next week by running away down a hill.

This low-priced device replaces the old-fashioned hand brake with a "four-times-as-strong" completely automatic emergency brake.

The "Loxit" also serves as insurance against car theft. When the automatic brake lock is on, the vehicle cannot be towed, pushed or moved away.

When on a hill the "Loxit" is also invaluable for momentary stopping. Merely push a button and all four wheels are braked. Then, when you wish to move, press the same button and the car is ready to roll.

In three ways the "Loxit" makes your car theft-proof, insures you against your own negligence, and is completely automatic.

Come into Lombardi's, 6498 Mission, today and see the new, the only automatic brake-lock, the "Loxit."

Rent Recontrol Notices For SM Landlords Issued

Advised by the San Francisco area office of rent control to cut rents this week were 200 landlords in San Mateo county.

Affected were those landlords whose rental property has been decontrolled, or who never have come under the rent control law.

More than 5,000 San Mateo county homes in the near future will be affected by the rent roll back order, Henry C. Nadelweiss, chairman of the San Mateo rent advisory board, said.

Units involved are those decontrolled in 1948 and ordered recontrolled by the new law.

"This is only the first bunch of orders," Nadelweiss said. "They cover only a part of the cases."

Landlords are given time to appeal to the rent office within seven days.

When the action is confirmed, both landlord and tenant will be notified by mail. Rent changes take effect immediately upon receipt of the final notice.

SF Parking Board Begins Business

The San Francisco Parking Authority, appointed by Mayor Elmer E. Robinson under an act passed by the Legislature at its last session, came into being this week with Board of Supervisor approval of the Mayor's appointees.

Named to the new Parking Authority were five prominent businessmen headed by Lyle T. Brown, telephone company executive, as chairman.

The Authority was created to help solve the city's complicated parking problem and members serve without pay.

An early decision the Authority will have to make is whether the city shall contract for further underground garages, smilar to that at Union Square, or develop new surface parking facilities. Underground garages have been proposed for the Civic Center and St. Mary's Square.

Son Of D.C. Woman Completes Guide Dog School Course

Recently graduating at the training school of Guide Dogs for the Blind was Toney E. Barros, son of Mrs. Florence Arguello, 123 Los Banos avenue.

Present at the graduation of the blind veteran at the San Rafael school were his mother and brother, J. N. Barros, who also lives in Daly City.

The 25-year-old veteran of World War II was blinded by an explosion of a hand grenade while serving with the 7th Infantry on Okinawa.

At the present time he is making preparation to enter law school in 1950, after graduating with honors from Trinidad Junior College, in Trinidad, Colorado. Barros was the first blind student ever to receive a degree at the college.

Upon his graduation from TJC, Barros came to San Francisco with his wife and child to ender the Guide Dog school, where he obtained a seeing-eye dog.

Wanted to rent by working couple, 2- 3- or 4-rm. unfurn. or furn. flat, cottage, or apt. Pay to $60. Call after 6 p.m. DE. 3-8770.

Lady Traffic Violator's Smile Worth $10 To Chief But Only $5 To The Judge

Women's smiles are a mystery to most men, but not to Judge W. J. Sweeney and Police Chief W. W. Sunderland.

Last Friday one of the female logicians stood before the Judge with a traffic ticket for going 55 miles in a 35 mile zone.

Unlike most traffic violators, this matron was smiling beautifully. Between smiles she told the Judge her tale of woe.

When it was all over, instead of the usual $10 fine he fined her $5. Suddenly the smile left the woman's face.

"What!" she exclaimed, "Chief Sunderland told me if I smiled, you wouldn't fine me. I don't understand."

Judge Sweeney turned in his chair and replied:

"Go back and tell Chief Sunderland you smiled $5 of your fine away. Next case."

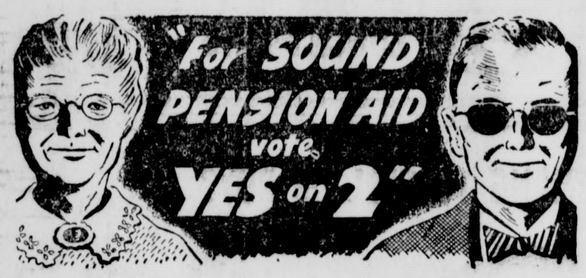
(Paid Political Adv.)



The needy aged, the blind, the working public—desperately need PROTECTION from PENSION POLITICIANS! PROPOSITION 2 guarantees that protection!

Today, in the shadow of the Capitol dome in Sacramento, there's a pension government-within-a-government—a virtual dictatorship with $200,000,000 of public funds at its command! It operates beyond any effective control by the Legislature, the Governor, or the People!

END THE DICTATORSHIP!

The head of this "Huey Long" set-up, the State Director of Social Welfare, is a former officer of the pressure organization that promoted the McLain Pension Scheme—the fantastic, trickily-worded measure enacted last year by a narrow margin. The Director got the job because her name appeared in the act's fine-print!

In effect, the Director is judge and jury over the welfare of pensioners. Aid for the aged and blind is in a sorry state today!

Charlie Hankinson, who is a particularly lively member of MBS's "Juvenile Jury" panel, tried hard to keep his mind on his studies all during the World Series, even though his heart was really on the diamond. The extent to which he succeeded was best illustrated in a "progress" note on Charlie's school work which his teacher sent home. "Charlie," the note read, "is somewhat poor in mathematics at the moment, but I expect this to improve as soon as the series has ended. Any boy who can keep batting averages in his head the way Charlie can, *must* be good at figures."

Mercedes McCambridge, who plays the part of "Martha Smith" in the current CBS "Perry Mason" series, is an incorrigible tease. Recently, during a Perry Mason rehearsal, announcer Dick Stark was reading the opening lines of the program when Mercedes started to heckle him, putting her hand over his script and so on. To an experienced announcer like Stark, Mercedes posed no problem whatsoever. With or without the script his melodious tones rolled out smoothly and evenly. Then, just to show that he was not entirely unaware of her presence, Dick read the last line as follows, ". . . Perry Mason, defender of human rights, champion of all those who seek—McCambridge!"

Hoyt Allen, who directs NBC's dramatic "Portia Faces Life," received a telephone call a while back from a New York executive who asked if Portia was going to have any serious troubles this summer. It seems his mother in Boston had phoned him to check on this before she went off for a summer's vacation. Hoyt assured him that Portia would manage to get along, hung up, and thought no more about it until last week when he got a call from the same executive. His mother had returned to Boston and now wanted a synopsis of what *had* happened to "Portia" in her absence. P. S. She got it!

Norma Jean Nilsson, the talented moppet who plays the role of Kathy on "Father Knows Best," the new NBC comedy-drama, was listening with becoming modesty to the extravagant praise of a broadcast visitor. After the lady's effusive compliments slowed down, the eleven-year-old actress sighed deeply and remarked: "Yes, I know. But I haven't got dimples."

SM Democratic Committee Wants Roosevelt, Douglas

San Mateo county's Democratic Central committee will meet tonight, October 27, in San Mateo to set up the machinery for the 1950 gubernatorial and senate campaigns.

Plans at the meeting tonight in San Mateo will be made on the assumption that James Roosevelt will run for governor and Helen Gahagan Douglas will be a candidate for the United States senate. This was the announcement of William Farmer, vice-chairman of the committee, and Harold J. Bailey, secretary.

A tentative outline for tonight's program was drawn up at a meeting of the committee at the offices of Judge Hugh Mullin last Thursday night. At that meeting the group passed two resolutions urging Roosevelt and Mrs. Douglas to seek public office.

Earlier in the month the Republican central committee urged Goodwin Knight to become the gubernatorial candidate.

As law forbids a central committee to endorse a candidate until said candidate has been chosen by ballot in a primary election, the Democratic committee did not make an out-and-out endorsement of Roosevelt or Mrs. Douglas.

Instead resolutions were passed urging the nomination of the candidates. Circulating petitions to back up the resolution today are San Mateo county democrats.

Other business at last Thursday's meeting consisted of endorsing Proposition No. 1 and turning thumbs down on Proposition No. 2.

The committee also made plans for a December 2 Democratic rally at South San Francisco at which Roosevelt and Mrs. Douglas may be honored guests.

MOTORIST TAXES

California motor vehicle operators paid a total of $145,485,457.53 for gasoline tax assessments, penalties and interest, during the twelve months ended June 30, 1949, according to the National Automobile Club. The figures just released by the State Board of Equalization also list private car tax assessments penalties and interest as $775,083.38 for the twelve-month period.

In the fiscal year ended June 30, 1949, the Union Square Garage in San Francisco parked 963,000 automobiles.

Advice For Vets Wishing To Renew NSL Insurance

Five "helpful hints" for veterans who wish to reinstate lapsed National Service Life Insurance term policies were offered today by Insurance Service of Veterans Administration.

They are:

1. If possible, the policy should be reinstated before it has been lapsed longer than three months. In most cases, early reinstatements make qualifying physical examinations unnecessary.

2. All questions on the reinstatement application should be answered. Failure to do so means a delay in regaining insurance protection.

3. The application must be dated. If not dated, it is not valid.

4. The application must be mailed to VA within five days. If the postmark is later than five days of the date on the application, a new form will be required.

5. Two monthly payments required for reinstatement must accompany the application. Without premium payments, VA cannot reinstate the insurance.

Question: My daughter married while in the service and after her discharge died of a service-connected disability. Is the surviving husband entitled to accrued monetary benefits?

Answer: Yes, providing claim for compensation has been filed by the veteran during her lifetime.

Question: What effect has a bad conduct discharge on burial allowance of my husband?

Answer: There is no allowance in his case, since the legal requirement for the type of separation from service is not met.

Question: I was honorably discharged from the Women's Army Corps and am assured I meet eligibility requirements for federal benefits. In case of emergency, will the government assume my hospital expenses in a private hospital without prior VA authorization?

Answer: The government will pay for such emergency treatment in a private hospital for a service-connected ailment, or for a non-service-connected condition determined as agravating the disability from the basic service-connected disorder, or for treatment to prevent the interruption of vocational training under Public Law 16, providing government facilities were not feasibly available and delay would be hazardous.

Colma Man's Car Damaged In Wreck

Having the left front of his car repaired today is Jess W. McCoy, 48, Rt. 1, Box 288A, Colma.

Edward Nuff, 27, 817 Valencia street, San Francisco, was driving a small truck when he collided with McCoy's car at the intersection of Highway No. 1 and Belmont drive at 10:20 a.m. last Friday.

The two vehicles met at the intersection as Nuff was coming west on No. 1 and McCoy south on Belmont.

Police are investigating the accident today. No citations were issued.

STRIPED BASS

Striped bass fishing is fair in the North San Pablo Bay areas. A few fish are being taken in Petaluma Creek and Napa River. The Vallejo lighthouse area and the slag dumps at Tormey are the best producing areas.

Pheasant Tags Being Issued

First call for purchase of pheasant tags has been issued by the Division of Fish and Game on behalf of its 2800 license agencies located throughout the State.

When the 10-day pheasant hunting season opens November 18, sportsmen will be required to place a numbered tag on the leg of each male bird taken. The new law was set during the 1949 session of the Legislature, and revives previous tag requirements in effect between 1942 and 1944.

License agents and Division offices are now selling 10 tags for $1.

DALYCITY—COLMA

Lions District Governor Jack Merchant was the guest speaker at the regular meeting of the local organization Wednesday.

A record number of Lions were on hand to greet Merchant, and only two of the club were absent.

Merchant spoke on "Friendship" and urged every Lion to do his share in promoting national and world understanding. He also called on the Lions to start a Christmas program whereby "toyless" children will be made happy December 25.

Next Tuesday the officers of the Lions Club are going to meet to discuss means of procuring toys for these children. It is expected they will ask the community to donate many of the toys.

Further information on the drive will be published in this column each week.

Merchants also had a few words on the Lions proposed "Hilltop City" in Chicago. This city is now being planned for homeless boys, and money for the project is coming from all the Lions Clubs throughout the country.

POWER TO DESTROY

Paraphrasing a familiar saying, the California State Automobile Association observes that "the power to speed is the power to destroy." Traffic accidents each year exact untold destruction of life and property, and most fatal accidents are caused by excessive speed.

98,186 SM County Residents May Vote November 8

Eligible to vote at the November 8 special election will be 98,186 persons from San Mateo county, Secretary of State Frank M. Jordan announced today.

Despite consolidation of many precincts, balloting will be from 262 precincts, or slightly more than half the usual number.

Over the state there are 4,568,447 elegible to vote, or 493 less than last year. The drop was due to the purge of 850,000 from the rolls of county clerks over the past year for various reasons from death to failure to vote.

Since the purge, some 350,000 have been added to the state rolls.

Vet Hospital Admissions Up

A total of 6,071 ex-servicemen and women were admitted to Veterans Administration hospitals and hospitals under contract to the VA in California during August, the VA announced today.

During the month approximately 53,000 veterans were admitted to VA hospitals and VA contract hospitals throughout the nation, a record high for any one month.

Previously, the highest number of admissions was 51,000 during March of this year. The August total was 11 per cent higher than July and also 11 per cent higher than the total for August, 1948.

Nat. Guard Offers Free Education

Army schools are open to National Guardsmen on the same basis as to regular servicemen. The courses run from several weeks to nine months.

Most of the courses taken by Guardsmen in the service schools to prepare them for their military specialty also are directly applicable to their civilian work. In addition, during periods of unemployment, they offer our members an opportunity to receive the same pay and allowances as do regular Army presonnel.

The scope of specialist training open to Guardsmen is aptly illustrated by some of the courses taken this year. They include mechanic, meteorology, radar electronics, medal equipment mechanic, motion picture cameraman, radio operator, dental mechanic, X-ray procedure, medical laboratory technician and scores of others.

The local unit of the California National Guard enlisted three new men from Daly City during the last week as it progressed with the fall recruiting campaign. Men 17 to 34 are eligible to enlist in the Guard and there are openings for former tank men.

Full details can be obtained by calling JUno 8-5056 or by visiting the unit at the San Bruno Navy Base any day or on Monday evenings.

Fall Greyhound Theme Is "It's Take-A-Trip Time"

People who take outings or vacation trips in autumn are choosing an ideal time of year for travel, according to F. W. Ackerman, president of Pacific Greyhound Lines. Because this is true, he pointed out, the entire Greyhound system is joining in a nationwide campaign to feature the pleasures of fall travel.

The bus network, which operates on more than 85,000 miles of highway routes, has chosen for its theme the phrase, "It's Take-A-Trip Time."

Said Mr. Ackerman: "Autumn has painted the highways and byways of the West and all America with its brilliant colors. The air is cool and brick, ideal for all kinds of pleasure trips. Furthermore, there is a much wider choice of hotel and resort accommodations and there are may exciting places to go and things to see in the fall, such as the big football games, county fairs, fishing and hunting trips, visits to the big cities and other excursions."

The Greyhound official stated that his company has made special plans to provide maximum autumn service to take care of the expected increase in fall travel. "Greyhound is extending many of its expense-paid tours through October, November, and December," Mr. Ackerman reported, "and charter buses are being made available for group trips to the big games, conventions, camera club excursions and other group activities." He emphasized that Greyhound's entire nationwide facilities are being geared to provide the finest service for autumn travelers.

CLEAN BATTERY TERMINALS

Corroded terminals, where the cable attaches to the automobile battery post, are frequently found to be the cause of hard starting, says the California State Automobile Association. This condition is usually the result of neglect. All battery terminals should be clean and tight, and coated with vaseline or grease to prevent corrosion.

Classes In Stock Investments Now At UC Extension

Women who would like to invest in securities or who would merely like to be informed on the stock market so they could discuss it with their husbands were reminded today of a new University of California Extension course which began October 27.

Entitled "The Elements of Investment Procedure and Practice," the course is under the direction of Alonzo W. Anderson of Mitchum, Tully & Co., San Francisco. Meetings are held each Thursday for eight weeks, from 2 to 4 p.m. at the Extension center, 540 Powell street.

Topics slated for discussion include: function and operation of the securities markets; interpretation of financial statements; cyclical price increments of securities; and investment programs and policies pursued by institutions in the management of endowment and trust funds.

Further information concerning the class may be obtained by calling the Extension center, EXbrook 2-0824. The first meeting of any Extension class may be attended without charge.

Bogus Pacific Telephone Checks Flooding Bay Area

Businessmen in Daly City were warned today against accepting some bogus Pacific Telephone Company checks.

The checks now are being circulated by two men throughout the Bay area. They resemble the regular PTC check given employes, except for one glaring error.

The error, and method of detection, is a large "Payroll," printed just above the name the check is supposed to have been issued to by the company.

Any merchant receiving such a check should immediately call the Daly City Police department.

Meanwhile, Abe Miller of Kings Market reported to police this week that on October 13 he accepted a bad check for $79.84 signed by John T. Speaks. This was Not one of the aforesaid Telephone Company checks.

A man passed the check to Miller after purchasing some groceries in the market. It was supposed to have been made out by the American Can Company to one Juanita Sanchez.
